Modified Proposal 3 to be Considered at Adjourned Annual Shareholder Meeting

As previously reported by Stratasys Ltd. (“**Stratasys**,” the “**Company**,” “**we**” or “**us**”), on September 13, 2018, at Stratasys’ 2018 annual general meeting of shareholders (the “**Meeting**”), the Meeting was adjourned with respect to Proposal 3 only—the approval of additional compensation for Messrs. David Reis (the Vice Chairman of the Board and an Executive Director) and Dov Ofer (a director) in respect of the additional services being provided by them on the oversight committee of the Company’s board of directors that assists the Company’s interim Chief Executive Officer. The adjourned Meeting is scheduled to be reconvened on October 4, 2018 at 11:30 a.m., Israel time, at the law offices of Meitar Liguornik Geva Leshem Tal, 16 Abba Hillel Road, 10th floor, 5250608, Israel.

At the reconvened Meeting, the Company plans to present a modified version of Proposal 3 for a vote of the Company’s shareholders. The background, the originally proposed terms, and the original text of the resolution, for Proposal 3 appear in the proxy statement for the Meeting (the “**Proxy Statement**”), which was annexed as Exhibit 99.1 to the Company’s Report of Foreign Private Issuer on Form 6-K (a “**Form 6-K**”), furnished by the Company to the Securities and Exchange Commission (the “**SEC**”) on August 8, 2018.

As a result of ongoing discussions that have been held by members of the Stratasys Board of Directors and management team with the Company’s shareholders, the Company has taken two actions: (a) it has determined that it be in the best interests of the Company and its shareholders for the Company’s Board of Directors and any committee thereof appointed to administer the Company’s 2012 Omnibus Equity Incentive Plan (the “**2012 Plan**”) to commit to refrain from re-pricing the exercise price of any options previously granted under the Plan; and (b) it has further reviewed the proposed compensation terms for Messrs. Reis and Ofer, and after discussion with Messrs. Reis and Ofer, has agreed with those directors upon revised terms with both appropriate time-vesting and performance-vesting milestones which are in line with the Company’s current operational objectives.

The revised time-vesting and performance-vesting terms of the equity grants to each of Messrs. Reis and Ofer of (i) options to purchase 37,500 ordinary shares, nominal value NIS 0.01 per share, of Stratasys (“**ordinary shares**”) (“**Options**”) and (ii) 18,500 restricted stock units (“**RSUs**”), each representing one ordinary share, are as follows:

- *Time-Vesting.* Two thirds (2/3) of the Options, i.e., 25,000 Options, and two thirds (2/3) of the RSUs, i.e., 12,333 RSUs, shall vest each month at a rate of 1,041 Options per month and 513 RSUs per month over each of the twenty-four (24) months commencing with June 1, 2018, with 1,057 Options and 534 RSUs vesting in respect of the last month of the 24-month period.
- *Performance-Vesting.* One third (1/3) of the Options, i.e., 12,500 Options, and one-third (1/3) of the RSUs, i.e., 6,167 RSUs, shall be subject to performance-vesting milestones as follows:
 - 6,250 Options and 3,084 RSUs shall vest if the Company's non-GAAP operating margins for the full year of 2018 are at least four and one-half percent (4.5%); and
 - 6,250 Options and 3,083 RSUs shall vest if the Company's revenues for the first half of 2019 are at least 100% of the Company's revenues for the first half of 2018, as reflected in the Company’s reviewed financial statements, and net of any and all M&A or divestment activity.

In addition, the Options and RSUs will be subject to the terms of the 2012 Plan with respect to a resignation by the director from the Board of Directors *provided, however*, that given the mandate of the two directors Messrs. Reis and Ofer and in order to provide each of those directors the opportunity to earn the full amount of the equity grant for their respective efforts, the Options and RSUs shall accelerate in full for the portion of the grants of the Options and RSUs that are still subject to vesting, should the term of office of said director not be extended by the Company’s Board of Directors or any general meetings of the Company’s shareholders, as the case may be, for additional terms through the end of the 24-month vesting period.

The proposed director compensation packages for Messrs. Reis and Ofer (including the additional monthly cash compensation of \$15,000 for Mr. Ofer alone) have not been otherwise modified from what was described in the Proxy Statement. Therefore, the changes to Proposal 3 as specified herein solely benefit the Company, and are more demanding of those directors in terms of the vesting schedule and performance hurdles.

In light of the foregoing changes to the proposed director compensation packages for Messrs. Reis and Ofer, the text of the resolution to be presented for approval at the reconvened Meeting will be a modified version of what appeared in the Proxy Statement, and will be as follows:

RESOLVED, that the grant by the Company of the proposed additional one-time equity compensation to each of Messrs. David Reis and Dov Ofer, and the additional monthly cash compensation to Mr. Dov Ofer, in each case in respect of his services on the Oversight Committee of the Board of Directors, as described in the “Background” to Proposal 3 of the Proxy Statement for the Annual Meeting, as modified by the “Contents” of the Company’s Form 6-K furnished to the SEC on September 25, 2018, be, and hereby is, approved in all respects.

Voting at Adjourned Annual Shareholder Meeting
