This Amendment No. 13 (this “Amendment No. 13”) amends and supplements the Tender Offer Statement on Schedule TO (as amended and, together with any subsequent amendments and supplements thereto, the “Schedule TO”) filed by Nano Dimension Ltd., a company organized under the laws of the State of Israel (“Nano”), with the U.S. Securities and Exchange Commission (the “SEC”) on May 25, 2023, as subsequently amended and supplemented. This Amendment No. 13 is being filed to clarify that the expiration time of the tender offer noted below is 11:59 p.m., New York time, on July 31, 2023, unless the offer is further extended or earlier terminated, and not 5:00 p.m., New York time, on July 31, 2023, unless the offer is extended or earlier terminated, as indicated in Amendment No. 12 filed earlier today to the Schedule TO (“Amendment No. 12”). The information in Amendment No. 12 (including the exhibits filed therewith) is being amended and restated in its entirety as set forth below:

The Schedule TO relates to the offer (the “offer”) by Nano to purchase up to 25,266,458 of the outstanding ordinary shares, NIS 0.01 par value per share, of Stratasys Ltd. (“Stratasys” and “Stratasys Shares,” respectively), not already owned by Nano, such that Nano would own up to and no more than 51% of the outstanding Stratasys Shares upon consummation of the offer, with a minimum condition of owning at least 46% of the outstanding Stratasys Shares upon consummation of the offer, but in any event no less than 5% of the outstanding Stratasys Shares are tendered in the offer, at the price of \$24.00 per Stratasys Share, to the seller in cash, less any required withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated May 25, 2023 (the “Original Offer to Purchase”), as further amended and supplemented by the Supplement to Offer to Purchase, dated June 27, 2023 (the “First Supplement to Offer to Purchase”), as further amended and supplemented by the Second Supplement to Offer to Purchase, dated July 10, 2023 (the “Second Supplement to Offer to Purchase” and, together with the Original Offer to Purchase and the First Supplement to Offer to Purchase, the “Amended Offer to Purchase”), as further amended and supplemented by the Third Supplement to Offer to Purchase, dated July 18, 2023 and filed herewith as Exhibit (a)(1)(U) (the “Third Supplement to Offer to Purchase” and, together with the Amended Offer to Purchase, as amended and supplemented prior to the date hereof, the “Offer to Purchase”) and in the related Third Amended Letter of Transmittal, dated July 18, 2023, a copy of which is filed herewith as Exhibit (a)(1)(V) (the “Third Amended Letter of Transmittal” and, together with the Offer to Purchase, the “Offer Documents”).

Nano is now increasing the Offer Price from \$24.00 to \$25.00 per Stratasys Share, to the seller in cash, less any required withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Offer Documents. Nano has also extended the Offer Period to 11:59 p.m., New York time, on July 31, 2023, unless the offer is further extended, or earlier terminated. The Depository has advised Nano that, as of 5:00 p.m., New York time, on July 17, 2023, 4,100,607 Stratasys Shares had been validly tendered and not properly withdrawn pursuant to the offer.

Except as otherwise set forth in this Amendment No. 13, the information set forth in the Schedule TO remains unchanged and is incorporated herein by reference in response to all of the items of the Schedule TO and is amended and supplemented by the information specifically provided herein. Capitalized terms used but not defined herein have the meanings ascribed to them in the Schedule TO. You should read this Amendment No. 13 together with the Schedule TO and the Offer to Purchase.

ITEMS 1 THROUGH 9 AND ITEM 11.

Items 1 through 9 and Item 11 of the Schedule TO are hereby amended and supplemented to reflect the amendment and supplement of the Offer to Purchase and the information in the related Offer Documents as follows:

- (1) All references to the Offer Price in the offer (previously \$24.00 per Stratasys Share in the Amended Offer to Purchase) now means a price of \$25.00 per Stratasys Share.

- (2) All references to the Expiration Date (previously 5:00 p.m., New York time, on July 24, 2023, unless the offer is extended or earlier terminated) now means 11:59 p.m., New York time, on July 31, 2023, unless the offer is further extended, or earlier terminated.

(3) By adding the following paragraph thereto:

“On July 18, 2023, we issued a press release announcing: (i) the increased Offer Price of \$25.00 per Stratasys Share, to the seller in cash, less any required withholding taxes and without interest; (ii) the extension of the Offer Period to

5:00 p.m., New York time, on July 31, 2023, unless further extended or earlier terminated (subsequently corrected to 11:59 p.m. by Amendment No. 13) and; (iii) Nano's opposition to Stratasys's proposed merger with Desktop Metal and recommendation to Stratasys shareholders to allow Nano, as a 51% holder of Stratasys Shares upon successful consummation of the offer, to (A) negotiate a combination of Stratasys with 3D Systems; and/or (B) purchase the remaining Stratasys Shares to reach 100% ownership as soon as practicable and permissible under U.S. and Israeli law."

- (4) By amending and restating the section entitled "WHAT PERCENTAGE OF THE STRATASYS SHARES DO YOU CURRENTLY OWN?" of the section entitled "SUMMARY TERM SHEET" of the Original Offer to Purchase as follows:

“As of May 25, 2023, Nano beneficially owned 9,695,115 Stratasys Shares, or approximately 14.1% of the outstanding Stratasys Shares as of May 24, 2023. See “Introduction” and Section 17 – “Conditions of the Offer.”

- (5) By adding the following disclosure as the last paragraph of Section 1 of the Original Offer to Purchase, entitled "Background of the Offer; Contacts with Stratasys":

“On July 18, 2023, we issued a press release announcing: (i) the increased Offer Price of \$25.00 per Stratasys Share, to the seller in cash, less any required withholding taxes and without interest; (ii) the extension of the Offer Period to 5:00 p.m., New York time, on July 31, 2023, unless further extended or earlier terminated (subsequently corrected to 11:59 p.m. by Amendment No. 13) and; (iii) Nano’s opposition to Stratasys’s proposed merger with Desktop Metal and recommendation to Stratasys shareholders to allow Nano, as a 51% holder of Stratasys Shares upon successful consummation of the offer, to (A) negotiate a combination of Stratasys with 3D Systems; and/or (B) purchase the remaining Stratasys Shares to reach 100% ownership as soon as practicable and permissible under U.S. and Israeli law.”

- (6) By amending and restating the subsection (c) entitled "Plans for Stratasys" of Section 2 of the Original Offer to Purchase, entitled "Purpose of the Offer; Effects of the Offer; Plans for Stratasys", as previously amended and restated, as follows:

“Nano is conducting a detailed review of Stratasys and its assets, corporate structure, capitalization, operations, properties, policies, management and personnel, and will consider which changes would be desirable in light of the circumstances that exist upon completion of the offer. Nano will continue to evaluate the business and operations of Stratasys during the pendency of the offer. On June 13, 2023, we sent a letter to the Stratasys Board to demand that they call an extraordinary general meeting of Stratasys shareholders to remove a majority of the board of directors and replace them with highly qualified nominees proposed by Nano; in response, Stratasys has included our seven proposed directors on the ballot for its next annual general meeting of Stratasys shareholders to be held on August 8, 2023. As the largest shareholder of Stratasys, Nano intends to support a review of strategic alternatives to further enhance shareholder value, including through industry consolidation. After the consummation of the offer, Nano intends to conduct a comprehensive review of Stratasys’s business, operations, capitalization and management with a view to optimizing development of Stratasys’s potential in conjunction with Stratasys’s existing businesses. Possible changes could include changes in Stratasys’s business, corporate structure, memorandum of association, articles of association, capitalization, management, SEC registration or Nasdaq listing. In addition, Nano intends to explore various industry consolidating transactions including, but not limited to, a negotiated combination of Stratasys with 3D Systems and acquiring the remaining outstanding Stratasys Shares that Nano will not already own after consummation of the offer as soon as practicable and permissible under applicable U.S. and Israeli law. Our plans may change based on further analysis and Nano and, after completion of the offer, the Stratasys Board may change their plans and intentions at any time, as deemed appropriate.”

We intend to review our investment in Stratasys, its performance and market conditions periodically and consider possible strategies for enhancing value and take such actions with respect to our investment as we deem appropriate in light of the circumstances existing from time to time. Such actions could include, among other things, additional purchases of Stratasys Shares pursuant to one or more open-market purchase programs, through private transactions or through tender offers or otherwise, subject to applicable U.S. and Israeli law. Future purchases may be on the same terms or on terms that are more or less favorable to Stratasys's shareholders than the terms of the offer. Any possible future purchases will depend on many factors, including the results of the offer, the market price of Stratasys Shares, our business and financial position, and general economic and market conditions. In addition, following the consummation of the offer, we may also determine to dispose of our Stratasys Shares, in whole or in part, at any time and from time to

time, subject to applicable laws. Any such decision would be based on our assessment of a number of different factors, including, without limitation, the business, prospects and affairs of Stratasys, the market for the Stratasys Shares, the condition of the securities markets, general economic and industry conditions and other opportunities available to us.

Under Israeli law, if a shareholder (together with its affiliates) owns in excess of 45.0% of the voting power of a company, such shareholder may purchase shares in the open market or through private transactions, and not solely by means of a tender offer, unless as a result of the purchase the shareholder (together with its affiliates) would own in excess of 90.0% of the issued and outstanding Stratasy Shares. Accordingly, following the consummation of the offer, we may purchase additional Stratasy Shares in the open market or through private transactions, and not solely by means of a tender offer, as long as our (together with our affiliates) aggregate percentage ownership of issued and outstanding Stratasy Shares does not exceed 90.0%.

Provided that the offer shall be accepted in full and the maximum amount of Stratasys Shares under the offer are tendered, subject to the provisions of the Israeli Companies Law, we may subsequently consider purchasing any balance of outstanding Stratasys Shares not held by Nano by tender offer, in the open market, in privately negotiated transactions or other acquisition.

However, under Israeli law, we, our controlling shareholders and any corporation under our or their control, are prohibited from conducting an additional tender offer for Stratasys Shares and from merging with Stratasys within 12 months from the Final Expiration Date.”

- (7) By adding the following disclosure as the last paragraph of Section 5 of the Original Offer to Purchase, entitled "Related Party Transactions":

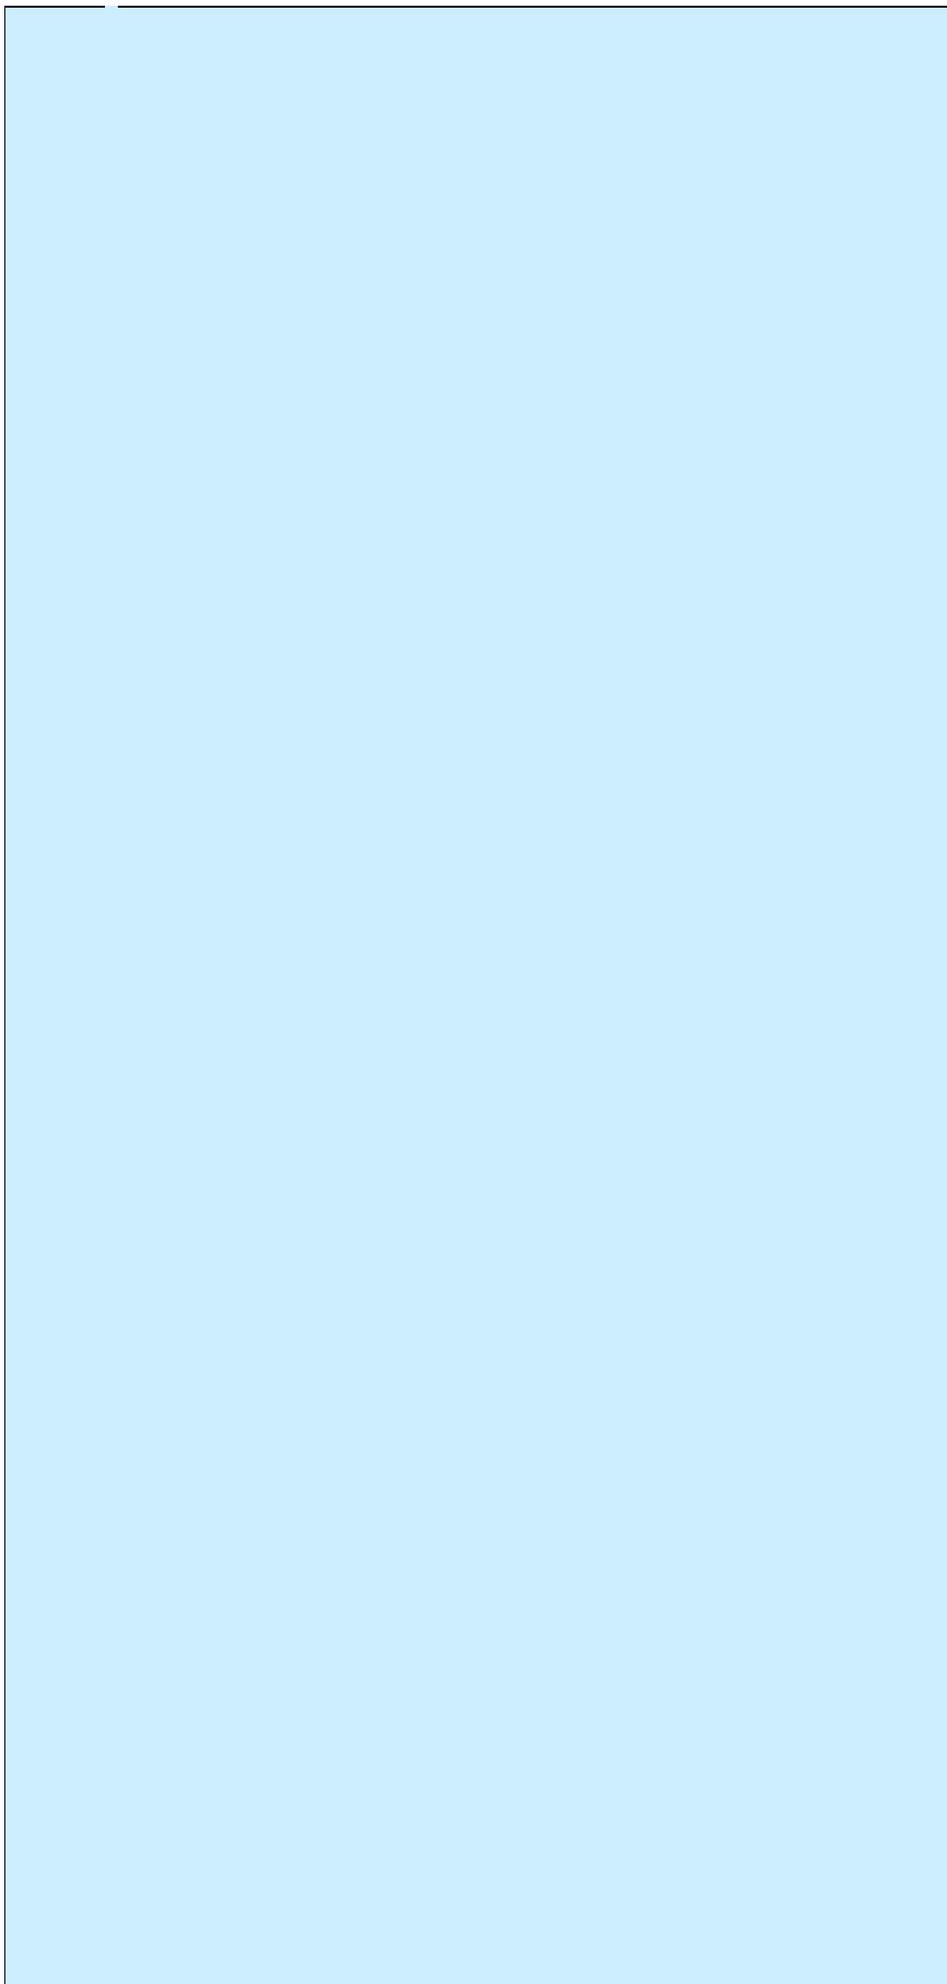

“On July 7, 2023, Nano contributed 100 Stratasys Shares it then owned to Nano Dimension NY Ltd., a New York corporation and a wholly-owned direct subsidiary of Nano, as a capital contribution for no consideration.”

UP TO 25,266,458 ORDINARY SHARES
OF
STRATASYS LTD.
AT AN INCREASED CASH OFFER PRICE OF
\$25.00 PER SHARE
BY
NANO DIMENSION LTD.
IN AN OFFER BEING CONDUCTED IN THE UNITED STATES**

We, Nano Dimension Ltd., a company organized under the laws of the State of Israel (“Nano” or “Nano Dimension”), hereby amend and supplement our offer to purchase, dated May 25, 2023 (the “Original Offer to Purchase”) filed as an exhibit to the Tender Offer Statement on Schedule TO with the U.S. Securities and Exchange Commission (the “SEC”) on May 25, 2023 (the “Tender Offer Statement”), as previously amended and supplemented, including by the Supplement to Offer to Purchase, dated June 27, 2023 (the “First Supplement to Offer to Purchase”) and the Second Supplement to Offer to Purchase, dated July 10, 2023 (the “Second Supplement to Offer to Purchase”) and, together with the Original Offer to Purchase, the “Amended Offer to Purchase”) to purchase up to 25,266,458 Stratasys Shares not already owned by Nano, such that Nano would own up to and no more than 51% of the outstanding Stratasys Shares upon consummation of the offer, with a minimum condition of owning at least 46% of the outstanding Stratasys Shares upon consummation of the offer, but in any event no less than 5% of the outstanding Stratasys Shares are tendered in the offer, at the price of \$24.00 per Stratasys Share, to the seller in cash, less any required withholding taxes and without interest.

Nano is now increasing the Offer Price from \$24.00 to \$25.00 per Stratasys Share, to the seller in cash, less any required withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Amended Offer to Purchase, as previously amended and supplemented and as further amended and supplemented by Amendment No. 13 to the Tender Offer Statement, filed with the SEC on July 18, 2023 (“Amendment No. 13”), this Third Supplement to Offer to Purchase (the “Third Supplement to Offer to Purchase”, and together with the Amended Offer to Purchase, as each may be amended and supplemented from time to time, the “Offer to Purchase”), the related Third Amended Letter of Transmittal, and the other materials filed as exhibits to Amendment No. 13 that we have filed with the SEC (such materials, collectively as they may be amended and supplemented from time to time, the “tender offer materials”). The terms and conditions set forth in the tender offer materials collectively constitute the “offer”. Based on the Solicitation/Recommendation Statement on Schedule 14D-9 filed by Stratasys on May 30, 2023, there were 68,552,104 Stratasys Shares outstanding as of May 24, 2023, of which 58,856,989 Stratasys Shares are not already owned by Nano, or approximately 85.9%. Nano beneficially owns approximately 14.1% of the outstanding Stratasys Shares based on the number of Stratasys Shares outstanding as of May 24, 2023.

Except to the extent amended and supplemented by this Third Supplement to Offer to Purchase, the terms and conditions set forth in the Amended Offer to Purchase remain applicable in all respects to the offer. This Third Supplement to Offer to Purchase is a part of, and should be read in conjunction with, the Amended Offer to Purchase, the Third Amended Letter of Transmittal, and the other documents that constitute part of the offer. Where information in the Amended Offer to Purchase, the Third Amended Letter of Transmittal, and the other documents that constitute part of the offer is in conflict with, supplemented by or replaced by information in this Third Supplement to Offer to Purchase, the information provided in this Third Supplement to Offer to Purchase shall govern. Capitalized terms used in this Third Supplement to Offer to Purchase, but not otherwise defined in this Third Supplement to Offer to Purchase, shall have the meanings given to those terms in the Amended Offer to Purchase.

The offer is subject to certain conditions contained in the Amended Original Offer to Purchase. See Section 17 – “Conditions of the Offer” in the Original Offer to Purchase (as amended and supplemented), which sets forth in full the conditions of the offer.

The Stratasys Shares are listed on the Nasdaq Global Select Market (“Nasdaq”) under the symbol “SSYS”. On May 24, 2023, the last trading day before we announced our commencement of the offer, the closing price per Stratasys Share on Nasdaq was \$14.88 and on July 17, 2023, the last full trading day before we announced the increase to the Offer Price, the closing price per Stratasys Share on Nasdaq was \$20.85. **We encourage you to obtain current market quotations for the Stratasys Shares before deciding whether to tender your Stratasys Shares. See Section 12 – “Price Range of the Stratasys Shares etc.” in the Original Offer to Purchase.**

All references to the Offer Price in the offer (previously \$18.00 per Stratasys Share in the Original Offer to Purchase, \$20.05 in the First Supplement to Offer to Purchase and \$24.00 in the Second Supplement to Offer to Purchase) now means a price of \$25.00 per Stratasys Share.

All references to the Letter of Transmittal now include the Third Amended Letter of Transmittal, all references to the Notice of Guaranteed Delivery now include the Third Amended Notice of Guaranteed Delivery, all references to the Letter to Brokers, Dealers, Commercial Banks, Trust Companies and Other Nominees now include the Third Amended Letter to Brokers, Dealers, Commercial Banks, Trust Companies and Other Nominees, all references to the Letter to Clients for Use by Brokers, Dealers, Commercial Banks, Trust Companies and Other Nominees now include the Third Amended Letter to Clients for Use by Brokers, Dealers, Commercial Banks, Trust Companies and Other Nominees, and all references to Notice of Objection now include the Third Amended Notice of Objection.

In addition to the changes that we have described above, under the heading “Amendments to Specific Provisions,” below, we have indicated other specific provisions in the Amended Offer to Purchase that are specifically amended by this Third Supplement to Offer to Purchase and set forth in the corresponding amendments.

SUMMARY OF THE AMENDED OFFER

We are providing this summary term sheet for your convenience. It highlights certain material information in this Third Supplement to Offer to Purchase, but you should realize that it does not describe all of the details of the offer to the same extent described in the Original Offer to Purchase. We urge you to read carefully the entire Original Offer to Purchase, the Amended Offer to Purchase, this Third Supplement to Offer to Purchase, the related Third Amended Letter of Transmittal, and the other tender offer materials because they contain the full details of the offer. We have included references to the sections of the Original Offer to Purchase where you will find a more complete discussion.

What will be the Offer Price for the Stratasys Shares?

- We are offering to purchase up to 25,266,458 Stratasys Shares at a purchase price of \$25.00 per Stratasys Share to the seller in cash, less any required withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase and the related Third Amended Letter of Transmittal.

Has the number of Stratasys Shares you are offering to purchase in the offer been changed?

- No. We are still offering to purchase up to 25,266,458 of the outstanding Stratasys Shares not owned by Nano, representing approximately 31.9% of the outstanding Stratasys Shares, such that we would own up to and no more than 51% of the outstanding Stratasys Shares upon consummation of the offer, subject to owning a minimum of 21,838,853 Stratasys Shares, upon consummation of the offer, representing approximately 36.9% of the outstanding Stratasys Shares, and in no event less than 3,427,606 Stratasys Shares, representing 5% of the outstanding Stratasys Shares, are tendered in the offer, exclusive of the Stratasys Shares held by Nano, as of the Expiration Date.

Why are you amending the offer?

- We are amending the offer to increase the Offer Price from \$24.00 per Stratasys Share to \$25.00 per Stratasys Share to the seller in cash, less any required withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase and the related Third Amended Letter of Transmittal.

Has the Expiration Date of the offer been changed?

- Yes. The Expiration Date of the offer is now 11:59 p.m., New York time, on July31, 2023, unless the offer is further extended or earlier terminated.

How long do I have to tender my Stratasys Shares?

- You may tender your Stratasys Shares until 11:59 p.m., New York time, on July 31, 2023, or, if we further extend our offer, before 11:59 p.m., New York time, on the date to which the offer is extended.

- As required under Israeli law, if (i) the conditions of the offer have been satisfied or, subject to applicable law, waived by us; and (ii) with respect to each Stratasys Share owned by you, you have (a) not yet responded to the offer, (b) notified us of your objection to the offer, or (c) tendered such Stratasys Share but have properly withdrawn your tender during the Offer Period, then, you will be afforded an additional four (4) calendar-day period, until 11:59 p.m., New York time, on August 4, 2023, during which you may tender each such Stratasys Share.

If I tendered Stratasys Shares under the Original Offer to Purchase or the Amended Offer to Purchase, do I need to do anything further?

- No. Stratasys shareholders do not have to take any action regarding any Stratasys Shares previously validly tendered and not properly withdrawn. If the offer is consummated, these Stratasys Shares will be accepted for payment and such Stratasys shareholders will receive the Offer Price of \$25.00 per Stratasys Share, to the seller in cash, less any required withholding taxes and without interest.

Can I object to the offer?

- Under Israeli law, you may respond to the offer by accepting the offer or sending a Notice of Objection.

- Alternatively, you may simply not respond to the offer and not tender your Stratasys Shares. You are not deemed to, and are not required to, object to the offer if you do not tender your Stratasys Shares.

See Section 9 of the Original Offer to Purchase — “Procedures for Tendering Shares or Notifying us of Your Objection to the Offer”.

What if I have already objected to the offer?

- You are deemed to have objected to the offer if you have previously submitted a Notice of Objection.

- You may withdraw a previously submitted Notice of Objection at any time prior to 11:59 p.m., New York time, on the Expiration Date. Following the withdrawal of a Notice of Objection, a new Notice of Objection may be submitted at any time prior to 11:59 p.m., New York time, on the Expiration Date by following the procedures described in Section 9 of the Original Offer to Purchase. In addition, if you submitted a Notice of Objection with respect to Stratasys Shares and thereafter you deliver a Letter of Transmittal by which you tender those Stratasys Shares or you otherwise tender those Stratasys Shares through your broker or other nominee, we will disregard your Notice of Objection. Similarly, if you submitted a Letter of Transmittal by which you tendered Stratasys Shares or you otherwise tendered those Stratasys Shares through your broker or other nominee, and thereafter you deliver to us a Notice of Objection with respect to those Stratasys Shares, we will disregard your Letter of Transmittal or previous tender. If you submitted a Letter of Transmittal (or you otherwise tendered through your broker or other nominee) and a Notice of Objection concurrently with respect to the same Stratasys Shares, we will disregard the Notice of Objection. If you hold such Stratasys Shares through a broker, dealer, commercial bank, trust company or other nominee, you must request such broker, dealer, commercial bank, trust company or other nominee to submit on your behalf a notice of withdrawal. Following the withdrawal of a Notice of Objection, a new Notice of Objection may be submitted at any time prior to 11:59 p.m., New York time, on the Expiration Date by following the procedures described above.

See Section 9 of the Original Offer to Purchase — “Procedures for Tendering Shares or Notifying us of Your Objection to the Offer”.

Once I have tendered Stratasys Shares in the offer, may I withdraw my tendered Stratasys Shares?

- Yes. You may withdraw any Stratasys Shares you have validly tendered at any time prior to 11:59 p.m. New York time on the Expiration Date. See Section 10 of the Original Offer to Purchase — “Withdrawal Rights”.

How do I withdraw previously tendered Stratasys Shares?

- To withdraw previously tendered Stratasys Shares, you must deliver a written notice of withdrawal to the Depository at one of its addresses set forth on the back cover of this Third Supplement to Offer to Purchase with the required information to the Depository while you still have the right to withdraw your Stratasys Shares. If you tendered your Stratasys Shares by giving instructions to a broker, banker or other nominee, you must instruct the broker, banker or other nominee to arrange for the withdrawal of your Stratasys Shares. See Section 10 of the Original Offer to Purchase — “Withdrawal Rights”.

How will you fund the purchase of the Stratasys Shares?

- The funds required for Nano to purchase up to 25,266,458 outstanding Stratasys Shares in the offer such that Nano would own up to and no more than 51% of the outstanding Stratasys Shares would be approximately \$631,661,451. We estimate that the total amount of funds that we will pay to consummate the offer, including fees and expenses, is approximately \$646,438,490. We possess all of the necessary funds to consummate the offer from cash and cash equivalents on hand. The offer is not conditioned on the availability of financing.

Whom should I contact with questions about the Offer?

This Third Supplement to Offer to Purchase, the Original Offer to Purchase and other documents we file with the SEC that are incorporated by reference in this Third Supplement to Offer to Purchase and the Amended Offer to Purchase contain “forward-looking statements” that are not purely historical regarding our intentions, hopes, beliefs, expectations and strategies for the future, including, without limitation:

- statements regarding the plans, objectives or expectations regarding the future operations or status of us or Stratasys;

- any anticipated trends;

- any statements regarding future economic conditions or performance; and

- any statement of assumptions underlying any of the foregoing.

Forward-looking statements that are based on various assumptions (some of which are beyond our control) may be identified by the use of forward-looking terminology, such as “may,” “can be,” “will,” “expects,” “anticipates,” “intends,” “believes,” “believe in the value,” and similar words and phrases. Such forward-looking statements are inherently subject to known and unknown risks and uncertainties. Actual results could differ materially from those set forth in forward-looking statements due to a variety of factors, including, but not limited to:

- changes in domestic and foreign economic and market conditions;

- changes in the ownership of Stratasys Shares, particularly any substantial accumulations by persons who are not affiliated with us;

- uncertainty as to the timing for and satisfaction of the conditions of the offer;

- uncertainty as to the completion of the offer; and

- the risk factors detailed in Stratasys's most recent Annual Report on Form 20F and its other filings with the SEC.

See “Special Factors” and Section 15 of the Original Offer to Purchase for a discussion of certain information relating to us. Except as may be required by law, we do not undertake, and specifically disclaim, any obligation to publicly release the results of any revisions which may be made to any forward-looking statements to reflect the occurrence of anticipated or unanticipated events or circumstances after the date of such forward-looking statements.

For further information on factors that could cause actual results to materially differ from expectations, please see Nano's publicly available SEC filings, including Nano's annual report on Form 20-F filed with the SEC on March 30, 2023, and in any subsequent filings with the SEC. The Company does not update any of its forward-looking statements except as required by law. You should assume that the information appearing in this Offer to Purchase is accurate as of the date on the front cover of this Offer to Purchase only.

AMENDMENTS TO SPECIFIC PROVISIONS

In addition to the changes that we have described above, the Amended Offer to Purchase is further amended as follows:

Summary Term Sheet

- (i) By amending and restating the section entitled "WHAT PERCENTAGE OF THE STRATASYS SHARES DO YOU CURRENTLY OWN?" of the section entitled "SUMMARY TERM SHEET" of the Original Offer to Purchase as follows:

“As of May 25, 2023, Nano beneficially owned 9,695,115 Stratasys Shares, or approximately 14.1% of the outstanding Stratasys Shares as of May 24, 2023. See “Introduction” and Section 17 — “Conditions of the Offer.”

Special Factors

1. Background of the Offer; Contacts with Stratasys

- (i) By adding the following disclosure as the last paragraph of Section 1 of the Original Offer to Purchase, entitled "Background of the Offer; Contacts with Stratasys":

“On July 18, 2023, we issued a press release announcing: (i) the increased Offer Price of \$25.00 per Stratasys Share, to the seller in cash, less any required withholding taxes and without interest; (ii) the extension of the Offer Period to 5:00 p.m., New York time, on July 31, 2023, unless further extended or earlier terminated (subsequently corrected to 11:59 p.m. by Amendment No. 13) and; (iii) Nano’s opposition to Stratasys’s proposed merger with Desktop Metal and recommendation to Stratasys shareholders to allow Nano, as a 51% holder of Stratasys Shares upon successful consummation of the offer, to (A) negotiate a combination of Stratasys with 3D Systems; and/or (B) purchase the remaining Stratasys Shares to reach 100% ownership as soon as practicable and permissible under U.S. and Israeli law.”

2. Purpose of the Offer; Effects of the Offer; Plans for Stratasys

- (i) Subsection (c) entitled “Plans for Stratasy” of the section entitled “Purpose of the Offer; Effects of the Offer; Plans for Stratasy” in Section 2 of the Original Offer to Purchase, as previously amended and restated, is hereby further amended and restated as follows:

“Nano is conducting a detailed review of Stratasys and its assets, corporate structure, capitalization, operations, properties, policies, management and personnel, and will consider which changes would be desirable in light of the circumstances that exist upon completion of the offer. Nano will continue to evaluate the business and operations of Stratasys during the pendency of the offer. On June 13, 2023, we sent a letter to the Stratasys Board to demand that they call an extraordinary general meeting of Stratasys shareholders to remove a majority of the board of directors and replace them with highly qualified nominees proposed by Nano; in response, Stratasys has included our seven proposed directors on the ballot for its next annual general meeting of Stratasys shareholders to be held on August 8, 2023. As the largest shareholder of Stratasys, Nano intends to support a review of strategic alternatives to further enhance shareholder value, including through industry consolidation. After the consummation of the offer, Nano intends to conduct a comprehensive review of Stratasys’s business, operations, capitalization and management with a view to optimizing development of Stratasys’s potential in conjunction with Stratasys’s existing businesses. Possible changes could include changes in Stratasys’s business, corporate structure, memorandum of association, articles of association, capitalization, management, SEC registration or Nasdaq listing. In addition, Nano intends to explore various industry consolidating transactions including, but not limited to, a negotiated combination of Stratasys with 3D Systems and acquiring the remaining outstanding Stratasys Shares that Nano will not already own after consummation of the offer as soon as practicable and permissible under applicable U.S. and Israeli law. Our plans may change based on further analysis and Nano and, after completion of the offer, the Stratasys Board may change their plans and intentions at any time, as deemed appropriate.

We intend to review our investment in Stratasys, its performance and market conditions periodically and consider possible strategies for enhancing value and take such actions with respect to our investment as we deem appropriate in light of the circumstances existing from time to time. Such actions could include, among other things, additional purchases of Stratasys Shares pursuant to one or more open-market purchase programs, through private transactions

or through tender offers or otherwise, subject to applicable U.S. and Israeli law. Future purchases may be on the same terms or on terms that are more or less favorable to Stratasys's shareholders than the terms of the offer.

Any possible future purchases will depend on many factors, including the results of the offer, the market price of Stratasys Shares, our business and financial position, and general economic and market conditions. In addition, following the consummation of the offer, we may also determine to dispose of our Stratasys Shares, in whole or in part, at any time and from time to time, subject to applicable laws. Any such decision would be based on our assessment of a number of different factors, including, without limitation, the business, prospects and affairs of Stratasys, the market for the Stratasys Shares, the condition of the securities markets, general economic and industry conditions and other opportunities available to us.

Under Israeli law, if a shareholder (together with its affiliates) owns in excess of 45.0% of the voting power of a company, such shareholder may purchase shares in the open market or through private transactions, and not solely by means of a tender offer, unless as a result of the purchase the shareholder (together with its affiliates) would own in excess of 90.0% of the issued and outstanding Stratasy Shares. Accordingly, following the consummation of the offer, we may purchase additional Stratasy Shares in the open market or through private transactions, and not solely by means of a tender offer, as long as our (together with our affiliates) aggregate percentage ownership of issued and outstanding Stratasy Shares does not exceed 90.0%.

Provided that the offer shall be accepted in full and the maximum amount of Stratasys Shares under the offer are tendered, subject to the provisions of the Israeli Companies Law, we may subsequently consider purchasing any balance of outstanding Stratasys Shares not held by Nano by tender offer, in the open market, in privately negotiated transactions or other acquisition.

However, under Israeli law, we, our controlling shareholders and any corporation under our or their control, are prohibited from conducting an additional tender offer for Stratasys Shares and from merging with Stratasys within 12 months from the Final Expiration Date.”

3. Related Party Transactions

- (i) By adding the following disclosure as the last paragraph of Section 5 of the Original Offer to Purchase, entitled "Related Party Transactions":

“On July 7, 2023, Nano contributed 100 Stratasys Shares it then owned to Nano Dimension NY Ltd., a New York corporation and a wholly-owned direct subsidiary of Nano, as a capital contribution for no consideration.”

No person has been authorized to give any information or to make any representation on our behalf not contained herein or in the tender offer materials delivered to you and, if given or made, such information or representation must not be relied upon as having been authorized.

Ladies and Gentlemen:

The undersigned hereby tenders to Nano Dimension Ltd. (the “Purchaser”) the above-described ordinary shares, par value NIS 0.01 per share of Stratasys Ltd. (“Stratasys” and “Stratasys Shares”, respectively), pursuant to the Purchaser’s offer to purchase up to 25,266,458 outstanding Stratasys Shares, not already held by the Purchaser, such that the Purchaser would own up to and no more than 51% of the outstanding Stratasys Shares upon consummation of the offer, with a minimum condition of owning at least 46% of the outstanding Stratasys Shares upon consummation of the offer, but in any event no less than 5% of the outstanding Stratasys Shares are tendered in the offer, at the increased price of \$25.00 per Stratasys Share, to the seller in cash, less any required withholding taxes and without interest, upon the terms of, and subject to the conditions to, the Offer to Purchase, dated May 25, 2023 as subsequently amended and supplemented, including by the Supplement to Offer to Purchase dated June 27, 2023, the Second Supplement to Offer to Purchase dated July 10, 2023 and the Third Supplement to Offer to Purchase dated July 18, 2023 (together with any subsequent amendments or supplements thereto, the “Offer to Purchase”) and this Letter of Transmittal (which, as they may be amended, supplemented or otherwise modified from time to time together constitute the “offer”), receipt of which is hereby acknowledged.

Upon the terms of, and subject to the conditions to, the offer (and if the offer is extended or amended, the terms of any such extension or amendment), and subject to, and effective upon, acceptance for payment of Stratasys Shares validly tendered herewith, in accordance with the terms of the offer, the undersigned hereby sells, assigns and transfers to or upon the order of the Purchaser all right, title and interest in and to, and any and all claims in respect of or arising or having arisen as a result of the undersigned’s status as a holder of, all Stratasys Shares that are being tendered hereby (and any and all non-cash dividends, distributions, rights, other Stratasys Shares or other securities issued or issuable in respect thereof on or after May 25, 2023 (collectively, “Distributions”)) and irrevocably appoints the Purchaser the true and lawful agent and attorney-in-fact of the undersigned with respect to the tendered Stratasys Shares (and all Distributions), with full power of substitution (such power of attorney being deemed to be an irrevocable power coupled with an interest), to (1) deliver certificates evidencing the tendered Stratasys Shares (and all Distributions), or transfer ownership of the tendered Stratasys Shares (and all Distributions) on the account books maintained by The Depository Trust Company, together, in either case, with all accompanying evidences of transfer and authenticity, to or upon the order of the Purchaser, (2) present the tendered Stratasys Shares (and all Distributions) for transfer on the books of Stratasys, and (3) receive all benefits and otherwise exercise all rights of beneficial ownership of the tendered Stratasys Shares (and all Distributions), all in accordance with the terms of the offer.

By executing this Letter of Transmittal, the undersigned hereby irrevocably appoints the designees of the Purchaser as the attorneys-in-fact and proxies of the undersigned, each with full power of substitution, to the full extent of the undersigned’s rights with respect to the Stratasys Shares tendered and any Distributions. This proxy and power of attorney is coupled with an interest in the tendered Stratasys Shares, is irrevocable and is granted in consideration of, and is effective upon, the acceptance for payment of the tendered Shares by the Purchaser in accordance with other terms of the offer. Acceptance for payment will revoke all other proxies and powers of attorney granted by the undersigned at any time with respect to the tendered Stratasys Shares (and all Stratasys Shares and other securities issued in Distributions in respect of the tendered Stratasys Shares), and no subsequent proxies, powers of attorney, consents or revocations may be given by the undersigned with respect thereto (and if given will not be deemed effective). The undersigned understands that, in order for Stratasys Shares or Distributions to be deemed validly tendered, immediately upon the Purchaser’s acceptance of the tendered Shares for payment, the Purchaser must be able to exercise all rights, including voting rights, with respect to the tendered Shares (and any and all Distributions), including, without limitation, voting as they, in their sole discretion, may deem proper at any annual or special meeting of Stratasys’s shareholders or any adjournment or postponement of any such meeting, by written consent in lieu of any meeting or otherwise.

The undersigned hereby represents and warrants that the undersigned has full power and authority to tender, sell, assign and transfer Stratasys Shares tendered hereby and all Distributions, that when the tendered Stratasys Shares are accepted for payment by the Purchaser, the Purchaser will acquire good, marketable and unencumbered title to such Stratasys Shares and Distributions, free and clear of all liens, restriction, charges and encumbrances, and that none of the tendered Stratasys Shares and Distributions will be subject to any adverse claim. The undersigned hereby represents and warrants that the undersigned is the registered owner of the Stratasys Shares, or the certificate(s) evidencing such Stratasys Shares have been endorsed to the undersigned in blank. The undersigned, upon request, will execute and deliver all additional documents deemed by the Depository or the Purchaser to be necessary or desirable to complete the sale, assignment and transfer of the tendered Stratasys Shares and all Distributions. In addition, the undersigned will remit and transfer promptly to the Depository for the account of the Purchaser all Distributions in respect of Shares tendered hereby, accompanied by appropriate documentation of transfer, and until receipt of transfer or appropriate assurance of receipt and transfer, the Purchaser will be entitled to all rights and privileges as owner of each such Distribution and may withhold the entire Offer Price of the tendered Stratasys Shares, or deduct from the Offer Price, the amount or value of that Distribution as determined by the Purchaser in its sole discretion.

It is understood that the undersigned will not receive payment for the Stratasys Shares unless and until the Stratasys Shares are accepted for payment and until the certificate(s) evidencing such Stratasys Shares (if any) owned by the undersigned are received by the Depository at the address set forth above, together with such additional documents as the Depository may require, or, in the case of Stratasys Shares held in "street" name book-entry form, ownership of Stratasys Shares is validly transferred on the account books maintained by DTC, and until the same are processed for payment by the Depository.

IT IS UNDERSTOOD THAT THE METHOD OF DELIVERY OF THE STRATASYS SHARES, THE SHARE CERTIFICATE(S) (IF ANY) AND ALL OTHER REQUIRED DOCUMENTS IS AT THE OPTION AND RISK OF THE UNDERSIGNED AND THAT THE RISK OF LOSS OF SUCH STRASYS SHARES, SHARE CERTIFICATE(S) AND OTHER DOCUMENTS SHALL PASS ONLY AFTER THE DEPOSITARY HAS ACTUALLY RECEIVED THE STRATASYS SHARES OR SHARE CERTIFICATE(S) (IF ANY) (INCLUDING, IN THE CASE OF A BOOK-ENTRY TRANSFER OF STRATASYS SHARES HELD IN "STREET" NAME, BY BOOK-ENTRY CONFIRMATION (AS DEFINED BELOW)). IF DELIVERY IS BY MAIL, IT IS RECOMMENDED THAT ALL SUCH DOCUMENTS BE SENT BY PROPERLY INSURED REGISTERED MAIL WITH RETURN RECEIPT REQUESTED. DELIVERY WILL BE DEEMED EFFECTIVE AND RISK OF LOSS AND TITLE WILL PASS FROM THE OWNER ONLY WHEN RECEIVED BY THE EXCHANGE AGENT. IN ALL CASES, SUFFICIENT TIME SHOULD BE ALLOWED TO ENSURE TIMELY DELIVERY.

No authority herein conferred or agreed to be conferred will be affected by, and all such authority will survive, the death or incapacity of the undersigned. All obligations of the undersigned in this Letter of Transmittal will be binding upon the heirs, personal representatives, successors and assigns of the undersigned. Except as stated in the Offer to Purchase, this tender is irrevocable. The undersigned understands that the valid tender of Stratasys Shares pursuant to any one of the procedures described in Section 9 of the Offer to Purchase and in the Instructions to this Letter of Transmittal will constitute the undersigned's acceptance of the terms of, and conditions to, the offer. The Purchaser's acceptance of the tendered Stratasys Shares for payment will constitute a binding agreement between the undersigned and the Purchaser upon the terms of, and subject to the conditions to, the offer (and if the offer is extended or amended, the terms of, or conditions to, any such extension or amendment).

Unless otherwise indicated below in the box entitled "Special Payment Instructions", please issue the check for the aggregate Offer Price of all Stratasys Shares purchased and return all certificates evidencing Stratasys Shares not tendered or not accepted for payment in the name(s) of the registered holder(s) appearing above under "Description of Shares Tendered". evidencing Shares not tendered or not accepted for payment (and accompanying documents, as appropriate) to the address(es) of the registered holder(s) appearing above under "Description of Shares Tendered". Unless otherwise indicated below in the box entitled "Special Payment Instructions", please credit any Stratasys Shares tendered hereby and delivered by book-entry transfer that are not accepted for payment by crediting the account at The Depository Trust Company. The undersigned recognizes that the Purchaser has no obligation, pursuant to the Special Payment Instructions, to transfer any Stratasys Shares from the name of the registered holder(s) if the Purchaser does not accept for payment any Stratasys Shares tendered hereby.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-DIV (dividends, including those from stocks or mutual funds)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or “doing business as” (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a “disregarded entity.” See Regulations section 301.7701-2(c)(2)(iii). Enter the owner’s name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2, “Business name/disregarded entity name.” If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

For Shares held in “street” name in book-entry form, an Agent’s Message in lieu of this Letter of Transmittal and Book-Entry Confirmation must be received by the Depository at one of its addresses set forth below prior to the Expiration Date (as defined in the Offer to Purchase) or Final Expiration Date (as defined in the Offer to Purchase). Shareholders holding Stratasys Shares in “street” name in book-entry form need not complete a Letter of Transmittal.

Shareholders whose share certificates are not immediately available or who cannot deliver all other required documents to the Depository prior to 11:59 p.m., New York time, on the Expiration Date or Final Expiration Date (as defined in the Offer to Purchase), as applicable, or who cannot complete the procedures for book-entry transfer prior to 11:59 p.m., New York time, on the Expiration Date or Final Expiration Date (as defined in the Offer to Purchase), as applicable, may nevertheless tender their Stratasys Shares by properly completing and duly executing a Notice of Guaranteed Delivery pursuant to the guaranteed delivery procedure set forth in Section 8 of the Offer to Purchase. Pursuant to such procedure: (a) such tender must be made by or through an Eligible Institution, (b) a properly completed and duly executed Notice of Guaranteed Delivery substantially in the form provided by Purchaser must be received by the Depository prior to 11:59 p.m., New York time, on the Expiration Date or Final Expiration Date (as defined in the Offer to Purchase), as applicable, and (c) share certificates representing all tendered Stratasys Shares, in proper form for transfer (or a Book-Entry Confirmation with respect to such Stratasys Shares), this Letter of Transmittal (or facsimile thereof), properly completed and duly executed with any required signature guarantees (or, in the case of a book-entry transfer, an Agent’s Message), and all other documents required by this Letter of Transmittal, if any, must be received by the Depository within two Nasdaq trading days after the date of execution of such Notice of Guaranteed Delivery.

The method of delivery of the Stratasys Shares, this Letter of Transmittal, and all other required documents, including delivery through the Depository Trust Company, is at the option and risk of the tendering shareholder, and the delivery will be deemed made and the risk of loss of the share certificates shall pass only when actually received by the Depository (including, in the case of a book-entry transfer, by Book-Entry Confirmation). If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended. In all cases, sufficient time should be allowed to ensure timely delivery.

All questions as to the validity, form, eligibility (including time of receipt) and acceptance for payment of any tender of Stratasys Shares hereunder, including questions as to the proper completion or execution of any Letter of Transmittal or other required documents and as to the proper form for transfer of any share certificates, will be determined by the Purchaser, in its sole and absolute discretion (which may delegate power in whole or in part to the Depositary), which determination will be final and binding. The Purchaser reserves the absolute right to reject any or all tenders that it determines not to be in proper form or the acceptance for payment of which may be unlawful. A tender of Stratasys Shares will not have been made until all defects and irregularities have been cured or waived. Purchaser also reserves the absolute right to waive any defect or irregularity in the tender of any Stratasys Shares or share certificates whether or not similar defects or irregularities are waived in the case of any other shareholder. None of the Purchaser, the Depositary, the Information Agent, Purchaser's legal counsel or any other person will be under any duty to give notification of any defects or irregularities in tenders of Stratasys Shares or incur any liability for failure to give any notification.

No alternative, conditional or contingent tenders will be accepted and no fractional Stratasys Shares will be purchased. By execution of this Letter of Transmittal (or a manually signed facsimile hereof), all tendering shareholders waive any right to receive any notice of the acceptance of their Stratasys Shares for payment.

If any share certificate has been lost, destroyed or stolen, the shareholder should promptly notify Stratasys's Transfer Agent, Continental Stock Transfer & Trust Company. The shareholder then will be instructed as to the steps that must be taken in order to replace the share certificate. This Letter of Transmittal and related documents cannot be processed until the procedures for replacing lost or destroyed share certificates have been followed.

3. *Inadequate Space.* If the space provided on the reverse hereof under "Description of Ordinary Shares Tendered" is inadequate, the share certificate numbers, the number of shares evidenced by such Share certificates and the number of Stratasys Shares tendered should be listed on a separate signed schedule and attached hereto.

4. *Partial Tenders (not applicable to shareholders who tender by book-entry transfer).* If fewer than all Stratasys Shares evidenced by any certificate delivered to the Depositary with this Letter of Transmittal are to be tendered, fill in the number of Stratasys Shares that are to be tendered in the box entitled "Number of Shares Tendered" in the box titled "Description of Shares Tendered". In such cases, new certificate(s) evidencing the remainder of Stratasys Shares that were evidenced by the certificates delivered to the Depositary with this Letter of Transmittal will be sent to the person(s) signing this Letter of Transmittal, unless otherwise provided in the box entitled "Special Delivery Instructions" in the Letter of Transmittal, as soon as practicable after the Expiration Date or Final Expiration Date, as applicable, or the termination of the offer. All Stratasys Shares evidenced by certificates delivered to the Depositary will be deemed to have been tendered unless otherwise indicated.

5. *Signatures on Letter of Transmittal; Stock Powers and Endorsements.* If this Letter of Transmittal is signed by the registered holder(s) of Stratasys Shares tendered hereby, the signature(s) must correspond with the name(s) as written on the face of the certificates evidencing the tendered Stratasys Shares without alteration, enlargement or any other change whatsoever.

If any tendered Stratasys Shares are held of record by two or more persons, all of those named persons must sign this Letter of Transmittal. If any tendered Stratasys Shares are registered in different names, it will be necessary to complete, sign and submit as many separate Letters of Transmittal as there are different registrations of those tendered Stratasys Shares.

If this Letter of Transmittal is signed by the registered holder(s) of tendered Stratasys Shares, no endorsements of certificates or separate stock powers are required, unless payment is to be made to, or certificates evidencing Stratasys Shares not tendered or not accepted for payment are to be issued in the name of, a person other than the registered holder(s). If the Letter of Transmittal is signed by a person other than the registered holder(s) of the certificate(s) evidencing Stratasys Shares tendered, the tendered certificate(s) must be endorsed or accompanied by appropriate stock powers, in either case signed exactly as the name(s) of the registered holder(s) appear(s) on the certificate(s). Signatures on the certificate(s) and stock powers must be guaranteed by an Eligible Institution.

If this Letter of Transmittal is signed by a person other than the registered holder(s) of tendered Stratasys Shares, the certificate(s) evidencing tendered Stratasys Shares must be endorsed or accompanied by appropriate stock powers, in either case signed exactly as the name(s) of the registered holder(s) appear(s) on such certificate(s). Signatures on such certificate(s) and stock powers must be guaranteed by an Eligible Institution.

If this Letter of Transmittal or any certificate or stock power is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation or other person acting in a fiduciary or representative capacity, that person should so indicate when signing, and proper evidence satisfactory to the Purchaser of that person's authority so to act must be submitted.

6. *Share Transfer Taxes.* The amount of any share transfer taxes (whether imposed on the registered holder(s), or such other person, or otherwise) payable on account of the transfer of any Stratasys Shares will be the responsibility of the shareholder. Evidence satisfactory to the Purchaser of the payment of the taxes, or that the transfer is not subject to tax, may need to be submitted. The Purchaser will only be liable for share transfer taxes with respect to the sale and transfer of any Stratasys Shares if such taxes are expressly imposed by applicable law on the Purchaser.

Except as provided in this Instruction 6, it will not be necessary for transfer tax stamps to be affixed to the share certificates evidencing Stratasys Shares tendered hereby.

7. *Special Payment and Delivery Instructions.* If a check for the Offer Price of any tendered Stratasys Shares is to be issued in the name of, and/or certificate(s) evidencing Stratasys Shares not tendered or not accepted for payment are to be issued in the name of and/or returned to, a person other than the person(s) signing this Letter of Transmittal or if a check or any such certificate is to be sent to a person other than the signor of this Letter of Transmittal or to the person(s) signing this Letter of Transmittal but at an address other than that shown in the box entitled "Description of Shares Tendered" on the reverse of this Letter of Transmittal, the appropriate boxes on this Letter of Transmittal must be completed.

8. *Questions and Requests for Assistance or Additional Copies.* Questions and requests for assistance may be directed to the Information Agent at the address or telephone numbers set forth below. Additional copies of the Offer to Purchase, the Supplement to Offer to Purchase, the Second Supplement to Offer to Purchase, the Third Supplement to Offer to Purchase, this Letter of Transmittal, the Notice of Guaranteed Delivery and other documents related to the offer may be obtained from the Information Agent.

9. *IRS Form W-9, IRS Form W-8.* Each holder who is a Holder (as defined in Section 11 of the Offer to Purchase) surrendering certificates for payment is required to provide the Depository with a correct Taxpayer Identification Number ("TIN") on IRS Form W-9 (provided herein) and certify under penalties of perjury that such number is correct and indicate whether such holder is subject to backup withholding as provided in the certification instructions in the form. Each holder must date and sign the IRS Form W-9 in the spaces indicated. **Failure to provide the information on the form may subject the holder to federal income tax withholding on the Offer Price and to a penalty imposed by the Internal Revenue Service.** If the holder has not been issued a TIN and has applied for a number, the holder should write "Applied For" in the space for the TIN and sign and date the IRS Form W-9 in the spaces indicated. If the IRS Form W-9 is so completed, the Depository will withhold 24% of all reportable payments that the holder is otherwise entitled to receive until a TIN is provided to the Depository. If the holder provides a properly certified TIN within 60 days, the Depository will refund the withheld taxes upon the holder's request. **Each holder who is not a U.S. Holder (as defined in Section 11 of the Offer to Purchase) must complete and submit the applicable IRS Form W-8 in order to be exempt from the federal income tax backup withholding due on payments with respect to the Stratasys Shares.** The appropriate IRS Form W-8 may be obtained from the Information Agent and the Depository. Shareholders that are not U.S. Holders are urged to consult their tax advisor regarding the appropriate IRS Form W-8 in their particular circumstances.

10. *Declaration Form ("Declaration of Status for Israeli Income Tax Purposes") and Accompanying Documents or Valid Certificate.* Each holder surrendering certificates for payment who is eligible for an exemption from Israeli withholding tax, or a reduced withholding tax rate, as described in Section 11 of the Offer to Purchase, is required to complete the Declaration Form. The Declaration Form will be made available to you through the Tax Portal after the Final Expiration Date. The Declaration Form and any additional documents you will need to complete, including

a valid certificate issued by the Israel Tax Authority exempting such holder from Israel withholding tax or entitling such holder to a reduced rate of Israeli withholding tax in form and substance satisfactory to the Purchaser (a “Valid Certificate”), or will be delivered to holders who validly tender their shares under separate cover. Record holders of Stratasys Shares should securely sign-in to the Tax Portal, obtain a dedicated link address, and complete the Declaration Form. Brokers must submit a Declaration Form on behalf of their beneficial holders of Stratasys Shares. Failure to provide the information on the Declaration Form (including accompanying documentation, if applicable, as described below) or the Valid Certificate may subject the holder to Israeli income tax withholding on the Offer Price.

Each *individual* non-Israeli resident shareholder tendering certificates for payment who will be required to submit a completed Declaration Form after the Final Expiration Date must also provide a copy of the photo page or his or her passport. **Failure by such shareholder to provide a copy of the photo page of his or her passport may subject the holder to Israeli income tax withholding on the Offer Price.**

11. Each non-Israeli resident shareholder tendering certificates for payment will need to submit a completed Declaration Form, should they validly tender their shares, and will receive an aggregate payment pursuant to the offer in an amount between US\$300,001 and US\$500,000, must also provide a valid certificate of residency for tax purposes issued by the tax authority of its country of residence (the “Residency Certificate”). Such shareholder may elect to submit its Residency Certificate through the Tax Portal during a period of 180 days following the Expiration Date (the “Residency Period”). In such case, to the extent the offer is consummated, 75% (in the case of individuals) and 77% (in the case of corporations) of the payment to be paid to such shareholder pursuant to the offer shall be paid promptly following the Expiration Date or Final Expiration Date, as applicable, in accordance with the terms of the Offer to Purchase and 25% (in the case of individuals) and 23% (in the case of corporations) of the payment to be paid to such shareholder pursuant to the offer shall be retained and held by the Depositary (the “Paying Agent”). In the event such shareholder submits a valid Residency Certificate, then promptly thereafter, the Paying Agent will process payment of the funds to such shareholder without deducting any Israeli withholding tax. In the event such shareholder shall not submit a valid Residency Certificate, then promptly thereafter, the Paying Agent will process payment of the funds to such shareholder after deducting Israeli withholding tax. **Failure by such shareholder to provide a Residency Certificate may subject the holder to Israeli income tax withholding on the Offer Price.**

12. *Additional Offer Period.* Nano will publicly announce in accordance with applicable law, and in any event issue a press release by 9:00 a.m., New York time on the U.S. business day following the Expiration Date, stating whether or not the conditions of the offer have been satisfied or, subject to applicable law, waived by Nano. As required by Israeli law, if the conditions to the offer have been satisfied or, subject to applicable law, waived by Nano, then the shareholders who have, with respect to each Stratasys Share owned by them, (a) not responded to the offer, (b) notified Nano of their objection to the offer, or (c) validly tendered such Stratasys Share but have not properly withdrawn their tender during the Offer Period, then will be entitled to tender each such Stratasys Share during an additional four (4) calendar-day period commencing at the completion of the Offer Period (this period is referred to as the “Additional Offer Period” and the expiration of such period is referred to as the “Final Expiration Date”). Stratasys Shares tendered during the Offer Period may be withdrawn at any time prior to 11:59 p.m., New York time, on the Expiration Date, but not during the Additional Offer Period. See the Offer to Purchase.

IMPORTANT TAX INFORMATION

United States

Under U.S. federal income tax law, a shareholder who is a U.S. Holder (as defined in Section 11 of the Offer to Purchase) whose tendered Stratasys Shares are accepted for payment is generally required to provide the Depositary (as payer) with the shareholder’s correct TIN on IRS Form W-9. If a shareholder is an individual, the TIN generally is the shareholder’s social security number. If the Depositary is not provided with the correct TIN, the shareholder may be subject to a penalty imposed by the Internal Revenue Service and payments that are made to the shareholder with respect to Stratasys Shares purchased pursuant to the offer may be subject to backup withholding of 24%. In addition, if a shareholder makes a false statement that results in no imposition of backup withholding, and there was no reasonable basis for making such statement, a penalty may also be imposed by the Internal Revenue Service.

Many shareholders (including, among others, corporations and certain non-U.S. individuals) are not subject to these backup withholding and reporting requirements. In order for a non-U.S. shareholder (e.g., a non-U.S. corporation or nonresident alien individual) to qualify as an exempt recipient, that holder must submit a statement on the appropriate IRS Form W-8, signed under penalties of perjury, attesting to that holder's exempt status. See the instructions for the applicable IRS Form W-8, which can be obtained on the IRS website, for additional information. A tax advisor should be consulted as to that shareholder's qualification for exemption from backup withholding and the procedure for obtaining such exemption, including which IRS Form W-8 should be provided by the shareholder.

If backup withholding applies, the Depository is required to withhold 24% of any payments made to the shareholder. Backup withholding is not an additional tax. Rather, the federal income tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained if the required information is furnished to the Internal Revenue Service, generally by filing a U.S. tax return.

Purpose of IRS Form W-9. To prevent backup withholding on payments that are made to a shareholder with respect to Stratasys Shares purchased in the offer, each shareholder who is a U.S. Holder (as defined in Section 11 of the Offer to Purchase) is required to notify the Depository of such shareholder's correct TIN by completing the IRS Form W-9 certifying that (a) the TIN provided on IRS Form W-9 is correct, (b)(i) that shareholder has not been notified by the Internal Revenue Service that he, she or it is subject to backup withholding as a result of a failure to report all interest or dividends or (ii) the Internal Revenue Service has notified the shareholder that the shareholder is no longer subject to backup withholding and (c) the shareholder is a U.S. resident or other U.S. person. See the instructions for IRS Form W-9 (provided herein), for additional information.

What Number to Give the Depository. Each shareholder is required to give the Depository the TIN (e.g., social security number or employer identification number) of the record holder of tendered shares who is a U.S. Holder (as defined in Section 11 of the Offer to Purchase). If shares are in more than one name or are not in the name of the actual owner, consult the enclosed instructions for IRS Form W-9 for additional guidance on which number to report. If the holder has not been issued a TIN and has applied for a number, the holder should write "Applied For" in the space for the TIN and sign and date the IRS Form W-9 in the spaces indicated. If the IRS Form W-9 is so completed, the Depository will withhold 24% of all reportable payments that the holder is otherwise entitled to receive until a TIN is provided to the Depository. If the holder provides a properly certified TIN within 60 days, the Depository will refund the withheld taxes upon the holder's request.

Israel

The Purchaser has received approval from the Israel Tax Authority (the "ITA"), with respect to the withholding tax rates applicable to shareholders as a result of the sale of Stratasys Shares in the offer. The approval provides, among other things, that (1) shareholders who meet the following criteria will not be subject to Israeli withholding tax: (a) they acquired their Stratasys Shares after the listing of the Stratasys Shares in the United States on Nasdaq in 2012; (b) they do not hold their Stratasys Shares through an Israeli broker or Israeli financial institution; (c) they are the beneficial owner (directly or indirectly) of less than 5% of the outstanding Stratasys Shares; (d) they certify that they are not, and at the date of purchase of their shares were not Israeli residents (and, in the case of a corporation, that no Israeli residents (x) hold 25.0% or more of the means to control such corporation or (y) are the beneficiaries of, or are entitled to, 25.0% or more of the revenues or profits of such corporation, whether directly or indirectly); (e) with respect to shareholders who are individuals, they timely provide a copy of their passport; and (f) with respect to shareholders that shall receive an aggregate payment in the offer that is in an amount between US\$300,001 and US\$500,000, they timely submit in addition a valid certificate of residency for tax purposes issued by the applicable tax authority of their country of residence for the 2023 tax year, (2) payments to be made to shareholders who hold their shares through an Israeli broker or Israeli financial institution will be made by the Purchaser without any Israeli withholding at source, and the relevant Israeli broker or Israeli financial institution will withhold Israeli tax, if any, as required by Israeli law, and (3) shareholders who are not described in clauses (1) and (2) above will be subject to Israeli withholding tax at the applicable rate of the gross proceeds payable to them pursuant to the offer, unless such shareholders obtain a tax withholding certificate from the ITA, all as prescribed by Israeli tax law. The Israeli withholding tax is not an

additional tax. Rather, the Israeli income tax liability of shareholders subject to Israeli withholding will be reduced by the amount of Israeli tax withheld. If Israeli withholding tax results in an overpayment of Israeli taxes, the holder may apply to the ITA (by filing an Israeli tax return) in order to obtain a refund. However, the Purchaser cannot assure you whether and when the ITA will grant such refund.

Purpose of Declaration Form. To prevent withholding of Israeli income tax on payments that are made to a shareholder with respect to Stratasys Shares purchased in the offer, each shareholder is required to notify the Depository of such shareholder's exemption by completing and signing the Declaration Form, which will be sent via dedicated link address in the Tax Portal, to holders who validly tender their Stratasys Shares (and provide any applicable accompanying documents) or by providing a Valid Certificate (see Instruction 10 above). Upon receipt, the Declaration Form should be completed by holders of Stratasys Shares, who are either: (i) NOT and at the date of purchase of their Stratasys Shares were not "residents of Israel" for purposes of the Israeli Income Tax Ordinance [New Version], 5721-1961 (the "Ordinance"), who acquired their Stratasys Shares after the listing of the Stratasys Shares in the United States on Nasdaq in 2012 or (ii) a bank, broker or financial institution that are "residents of Israel" within the meaning of that term in Section 1 of the Ordinance, holding Shares solely on behalf of beneficial shareholder(s), and are subject to the provisions of the Ordinance and regulations promulgated thereunder relating to the withholding of Israeli tax, including with respect to the cash payment (if any) made to them with respect to Stratasys Shares tendered by such beneficial shareholder(s) and accepted for payment by the Purchaser pursuant to the offer.

The foregoing description of certain tax withholding is only a summary and is qualified by all the terms of, and conditions to, the offer set forth in the Offer to Purchase. In this respect, you are urged to read Section 11 and Section 17 of the Offer to Purchase.

This Letter of Transmittal and certificates and any other required documents should be sent or delivered by each shareholder or that shareholder's broker, dealer, commercial bank, trust company or other nominee to the Depositary at one of its addresses set forth below.

To Brokers, Dealers, Commercial Banks,
Trust Companies and Other Nominees:

We have been appointed by Nano Dimension Ltd. (the "Purchaser"), to act as Information Agent in connection with the Purchaser's offer to purchase up to 25,266,458 outstanding ordinary shares, par value NIS 0.01 per share, of Stratasys Ltd. ("Stratasys" and "Stratasys Shares", respectively), not already owned by the Purchaser, such that the Purchaser would own up to and no more than 51% of the outstanding Stratasys Shares upon consummation of the offer, with a minimum condition of owning at least 46% of the outstanding Stratasys Shares upon consummation of the offer, but in any event no less than 5% of the outstanding Stratasys Shares are tendered in the offer, at an increased price of \$25.00 per Stratasys Share, to the seller in cash, less any required withholding taxes and without interest (the "Offer Price"), upon the terms of, and subject to the conditions to, the Offer to Purchase, dated May 25, 2023, as subsequently amended and supplemented, including by the Supplement to Offer to Purchase, dated June 27, 2023, the Second Supplement to Offer to Purchase, dated July 10, 2023 and the Third Supplement to Offer to Purchase, dated July 18, 2023 (together with any subsequent amendments or supplements thereto, the "Offer to Purchase") and the related Letter of Transmittal (which, as they may be further amended, supplemented, or otherwise modified from time to time, together constitute the "offer") enclosed herewith. The description of the offer in this letter is only a summary and is qualified by all the terms of, and conditions to, the offer set forth in the Offer to Purchase and Letter of Transmittal. Terms used herein but not otherwise defined herein have the definitions ascribed thereto in the Offer to Purchase.

Please furnish copies of the enclosed materials to those of your clients for whose accounts you hold Stratasys Shares registered in your name or in the name of your nominee.

We urge you to contact your clients as promptly as possible. Please note that the offer expires at 11:59 p.m., New York time, on July 31, 2023 (the "Expiration Date"), unless the offer is extended or earlier terminated.

Your attention is directed to the following:

1. The increased Offer Price is \$25.00 per Stratasys Share, to the seller in cash, less any applicable withholding taxes and without interest.
2. The Purchaser has received approval from the Israel Tax Authority (the "ITA") with respect to the Israeli withholding tax rates applicable to shareholders as a result of the sale of Stratasys Shares in the offer. The approval provides, among other things, that (1) shareholders who meet the following criteria will not be subject to Israeli withholding tax: (a) they acquired their Stratasys Shares after the listing of the Stratasys Shares in the United States on the Nasdaq Global Select Market ("Nasdaq") in 2012; (b) they do not hold their Stratasys Shares through an Israeli broker or Israeli financial institution; (c) they are the beneficial owner (directly or indirectly) of less than 5% of the outstanding Stratasys Shares; (d) they certify that they are not, and at the date of purchase of their Stratasys Shares were not Israeli residents, as set forth in the Declaration Form; (e) with respect to shareholders who are individuals, they timely provide a copy of their passport; and (f) with respect to shareholders that shall receive an aggregate payment in the offer that is in an amount in excess of US\$300,001 and US\$500,000, they timely submit in addition a valid certificate of residency for tax purposes issued by the applicable tax authority of their country of residence; (2) payments to tendering shareholders hold their Stratasys Shares through an Israeli broker or Israeli

financial institution will be made by the Purchaser without any Israeli withholding at source, and the relevant Israeli broker or Israeli financial institution will withhold Israeli tax, if any, as required by Israeli law, and (3) shareholders who are not described in clauses (1) and (2) above will be subject to Israeli withholding tax at the applicable rate of the gross proceeds payable to them pursuant to the offer, unless such shareholders obtain a tax withholding certificate from the ITA, all as prescribed by Israeli tax law. Accordingly, if your client determines to tender his or her or its Stratasys Shares in the offer, you should also request instructions as to whether he or she or it is eligible for (i) an exemption from Israeli withholding tax by completing the enclosed Declaration Form ("Declaration of Status for Israeli Income Tax Purposes") and submitting the accompanying documents (to the extent applicable to your client) or (ii) otherwise eligible for an exemption or a more favorable Israeli withholding tax rate and intend to provide a valid tax certificate issued by the Israel Tax Authority.

In general, if your client(s) certifies, by completing the Declaration Form, that it is (1) (A) NOT and at the date of purchase of its Stratasys Shares was not a "resident of Israel" for purposes of the Israeli Income Tax Ordinance [New Version], 5721-1961 (the "Ordinance"), and if your client is a (i) corporation, Israeli residents are NOT "controlling shareholders" of such corporation within the meaning of Section 68A of the Ordinance (i.e., that Israeli residents do not hold, directly or indirectly, 25.0% or more of the means to control such corporation) and Israeli residents are NOT the beneficiaries of, or are entitled to, 25.0% or more of the revenues or profits of such corporation, whether directly or indirectly, or (ii) partnership that no partner in the partnership is an Israeli resident and no Israeli resident holds, directly or indirectly via shares or through a trust or in any other manner or with another who is an Israeli resident, 25.0% or more of any right in the partnership or, of the right to direct the manner of exercising any of the rights in the partnership, all as set forth in the Declaration Form, (B) it acquired its Stratasys Shares after the listing of the Stratasys Shares in the United States on Nasdaq in 2012, and (C) is the owner (directly or indirectly) of less than 5% of the outstanding Stratasys Shares, provided that (i) if your client is an individual, it timely provides a copy of its passport; and (ii) if your client shall receive an aggregate payment in the offer that is in an amount in excess of US\$300,001 and US\$500,000, it timely submits in addition a valid certificate of residency for tax purposes issued by the applicable tax authority of its country of residence, or (2) a bank, broker or financial institution resident in Israel that (A) is holding the Stratasys Shares solely on behalf of its beneficial shareholder(s) (so-called "street name" holders), and (B) is subject to the provisions of the Ordinance and regulations promulgated thereunder relating to the withholding of Israeli tax, including with respect to the cash payment (if any) made by it to its beneficial shareholder(s) with respect to Stratasys Shares tendered by them and accepted for payment by the Purchaser pursuant to the offer (an "Eligible Israeli Broker"), your client is eligible for an exemption from Israeli withholding tax. See Section 11 of the Offer to Purchase.

With respect to U.S. backup withholding taxes, see Section 11 of the Offer to Purchase.

The Purchaser, with the assistance of the Depository and The Depository Trust Company ("DTC"), has established a procedure whereby, if (and only as long as you may tender the Stratasys Shares on behalf of your clients pursuant to the offer) you tender Stratasys Shares in the offer through DTC, you will be able to classify, electronically, the Stratasys Shares into the following categories: (1) Stratasys Shares that are tendered on behalf of your clients who certified to you, by completing the Declaration Form and providing the accompanying documents (to the extent applicable), that they are eligible for an exemption from Israeli withholding tax ("Category One Shares"), and (2) Stratasys Shares that are tendered on behalf of your clients who are not eligible for such exemption ("Category Two Shares").

By so classifying, through such DTC system, you will be deemed to certify to the Depository and to the Purchaser that based on a careful review of the Declaration Forms and accompanying documents (to the extent applicable) received by you, the Stratasys Shares that you classified as Category One Shares, are held by non-Israeli residents who provided the accompanying documents (to the extent applicable) and/or Eligible Israeli Broker(s). In addition, in order to confirm your eligibility to make such certification for Category One Shares, you must provide copies of such Declaration Forms and accompanying documents (to the extent applicable) as well as any additional information to the Information Agent (via e-mail and utilizing the specialized e-mail address at the end of this notice) that you will be requested to provide in connection therewith. You are reminded that the ITA may have the right to audit the Declaration Forms and accompanying documents (to the extent applicable), and if you refuse, Israeli withholding tax may be imposed. If you fail to meet the deadlines for tendering Stratasys Shares in the offer, make untimely classifications or make incorrect classifications, you will be required to claim any withholding tax directly from the ITA (by filing an Israeli income tax return). Alternatively, with respect to Category Two Shares, you may receive together with the Letter of Transmittal or Declaration Form certificates of exemption from Israeli withholding or reduced withholding. In such event, you must provide copies of such certificates to the Information Agent at its address set forth on the back of the Offer to Purchase. **NOTE: A CLIENT OF YOURS THAT IS AN**

ELIGIBLE ISRAELI BROKER MAY COMPLETE THE DECLARATION FORM IF IT IS HOLDING THE STRATASYS SHARES SOLELY ON BEHALF OF ITS CLIENTS, THE BENEFICIAL SHAREHOLDERS.

3. The Purchaser beneficially owns 9,695,115 Stratasys Shares, representing approximately 14.1% of the issued and outstanding Stratasys Shares. The offer is being made for up to 25,266,458 Stratasys Shares, or approximately 36.9% of the outstanding Stratasys Shares not owned by the Purchaser. Please see Section 7 of the Offer to Purchase.

4. Shareholders may tender their Stratasys Shares or deliver Notices of Objection until 11:59 p.m., New York time, on the Expiration Date, unless the offer is extended or earlier terminated.

5. Promptly following the Expiration Date, the Purchaser will publicly announce whether or not the conditions to the offer have been satisfied or, subject to applicable law, waived by the Purchaser. As required by Israeli law, if the conditions to the offer are satisfied or, subject to applicable law, waived by the Purchaser and if, with respect to each Stratasys Share held by a shareholder:

- such shareholder has not yet responded to the offer,

- such shareholder has notified the Purchaser (through you) of his or her objection to the offer, or

- such shareholder has tendered such Stratasys Shares (through you) but have withdrawn (through you) such tender prior to the Expiration Date,

such shareholder will be afforded an additional four (4) calendar-day period following the Expiration Date, during which he or she may tender such Stratasys Shares (the “Additional Offer Period”). These dates will change if the Purchaser decides to extend the Offer Period. Shareholders may withdraw any previously tendered Stratasys Shares at any time prior to the Expiration Date, but not during the Additional Offer Period. See “Introduction,” Section 7 and Section 9 of the Offer to Purchase.

If, with respect to all or any portion of his or her Stratasys Shares, a shareholder objects to the offer during the Offer Period and the conditions to the offer have been satisfied or, subject to applicable law, waived by the Purchaser, such shareholder may tender such Stratasys Shares during the Additional Offer Period.

6. The offer is conditioned on the valid tender of at least 21,838,853 Stratasys Shares, which is referred to as the Minimum Condition. The Purchaser does not expect to waive the Minimum Condition. The offer is conditioned on the valid tender of at least 3,427,606 Stratasys Shares, which is referred to as the Threshold Condition. The Purchaser cannot waive the Threshold Condition as a matter of Israeli law. The offer is subject to additional customary conditions specified in the Offer to Purchase, including, among other things, (i) the Rights issued under Stratasys’s Rights Plan (as defined in the Offer to Purchase) must have been redeemed by Stratasys’s board of directors or Nano must be satisfied in its reasonable discretion that the Rights will not become exercisable as a result of the offer and (ii) the Change of Business Condition (as defined in the Offer to Purchase). The offer is not conditioned on the availability of financing or the approval of the board of directors of Stratasys. **Please see Section 17 of the Offer to Purchase, which sets forth in full the conditions to the offer and specifies those conditions to the offer that are waivable by the Purchaser.**

7. Following the Expiration Date, in accordance with applicable law, the Purchaser will publicly announce whether or not the conditions to the offer have been satisfied or, subject to applicable law, waived by the Purchaser.

8. If more than 25,266,458 Stratasys Shares are validly tendered and not properly withdrawn prior to the Final Expiration Date, the Purchaser will purchase 25,266,458 Stratasys Shares on a *pro rata* basis from all tendering shareholders. In these circumstances, the number of Stratasys Shares that the Purchaser will purchase from each tendering shareholder will be based on the total number of Stratasys Shares validly tendered and not properly withdrawn by all shareholders prior to the Expiration Date. See Section 7 and Section 8 of the Offer to Purchase.

9. Promptly following the Final Expiration Date, the Purchaser will announce the results of the offer and the Proration Factor, if any. If the Purchaser is unable to promptly determine the final proration results, the Purchaser will announce the preliminary results. Stratasys Shares accepted for payment pursuant to the offer will be paid promptly following the calculation of the final Proration Factor.

Explanation of Notice of Objection. Under Israeli law, the shareholders of Stratasys may respond to the offer by accepting the offer and tendering all or any portion of their Stratasys Shares in accordance with the Offer to Purchase or by notifying the Purchaser of their objection to the offer by executing and delivering Notices of Objection. Alternatively, they may simply not respond to the offer and not tender their Stratasys Shares. It is a condition to the offer that, at 11:59 p.m., New York time, on the Expiration Date, the aggregate number of Stratasys Shares tendered in the offer is greater than the number of Stratasys Shares represented by Notices of Objection. If this and the other conditions to the offer have been satisfied or, subject to applicable law, waived by the Purchaser, shareholders will be afforded an additional four calendar days to tender their Stratasys Shares in the offer, but Notices of Objection will no longer be accepted. See “Introduction” Section of the Offer to Purchase.

IF YOUR CLIENT DOES NOT WISH TO TENDER ANY SHARES IT MAY SIMPLY DO NOTHING.

IMPORTANT: IF A SHAREHOLDER SUBMITS A NOTICE OF OBJECTION WITH RESPECT TO HIS OR HER STRATASYS SHARES AND THEREAFTER, DELIVERS TO YOU A LETTER OF TRANSMITTAL BY WHICH HE OR SHE TENDERS THOSE STRATASYS SHARES, PLEASE DISREGARD THE NOTICE OF OBJECTION. SIMILARLY, IF A SHAREHOLDER SUBMITS TO YOU A LETTER OF TRANSMITTAL BY WHICH HE OR SHE TENDERS HIS OR HER STRATASYS SHARES AND THEREAFTER, HE OR SHE DELIVERS TO YOU A NOTICE OF OBJECTION WITH RESPECT TO THOSE STRATASYS SHARES, PLEASE DISREGARD THE LETTER OF TRANSMITTAL. IF A SHAREHOLDER SUBMITS A LETTER OF TRANSMITTAL AND A NOTICE OF OBJECTION CONCURRENTLY WITH RESPECT TO THE SAME STRATASYS SHARES, PLEASE DISREGARD THE NOTICE OF OBJECTION.

For your information and for forwarding to your clients for whom you hold Stratasys Shares registered in your name or in the name of your nominee, we are enclosing the following documents:

1. Third Supplement to Offer to Purchase;
2. Third Amended Letter of Transmittal for your use in accepting the offer and tendering Stratasys Shares and for the information of your clients;
3. Third Amended Notice of Guaranteed Delivery; and

Payment for Stratasys Shares accepted for payment pursuant to the offer will be made only after timely receipt by the Depository of (1) certificates evidencing the Stratasys Shares (or a confirmation of a book-entry transfer of the Stratasys Shares into the Depository’s account at DTC), (2) the Letter of Transmittal properly completed and duly executed with any required signature guarantees or, in the case of a book-entry transfer, an Agent’s Message and (3) any other required documents, including a properly completed Declaration Form (“Declaration of Status of Israeli Income Tax Purposes”), which will be made available following the Final Expiration Date through the Tax Portal.

The Purchaser will not pay any fees or commissions to any broker, dealer or other person in connection with the solicitation of tenders of Stratasys Shares pursuant to the offer (other than to the Depository and Information Agent). However, the Purchaser will, upon request, reimburse you for customary and reasonable mailing and handling expenses incurred by you in forwarding any of the enclosed materials to your clients. The Purchaser will NOT pay or cause to be paid any stock transfer taxes payable with respect to the transfer of Stratasys Shares to it, except as otherwise provided in Instruction 6 of the Letter of Transmittal.

July 18, 2023

To Our Clients:

Enclosed for your consideration are the Third Supplement to Offer to Purchase dated July 18, 2023 (together with the Offer to Purchase dated May 25, 2023, the Supplement to Offer to Purchase dated June 27, 2023, the Second Supplement to Offer to Purchase dated July 10, 2023 and any amendments or supplements thereto, the "Offer to Purchase") and the related Amended Letter of Transmittal (which as they may be subsequently amended, supplemented, or otherwise modified from time to time, together constitute the "offer") in connection with the tender offer of Nano Dimension Ltd. (the "Purchaser") to purchase up to 25,266,458 ordinary shares, par value NIS 0.01 per share of Stratasys Ltd. ("Stratasys" and "Stratasys Shares", respectively), not already owned by the Purchaser, such that the Purchaser would own up to and no more than 51% of the outstanding Stratasys Shares upon consummation of the offer, with a minimum condition of owning at least 46% of the outstanding Stratasys Shares upon consummation of the offer, but in any event no less than 5% of the outstanding Stratasys Shares are tendered in the offer, at an increased price of \$25.00 per Stratasys Share, to the seller in cash less any applicable withholding taxes and without interest (the "Offer Price"), upon the terms of, and subject to the conditions to, the offer. The description of the offer in this letter is only a summary and is qualified by all the terms of, and conditions to, the offer set forth in the Offer to Purchase and Letter of Transmittal. Terms that are capitalized but not defined in this letter have the meanings given to them in the Offer to Purchase.

We are (or our nominee is) the holder of record of Stratasys Shares held by us for your account. A tender of your Stratasys Shares can be made only by us as the holder of record of the Stratasys Shares and only pursuant to your instructions. The enclosed Letter of Transmittal is furnished to you for your information only and cannot be used by you to tender Shares held by us for your account.

Please instruct us as to whether you wish us to either (1) tender on your behalf any or all of the Stratasys Shares held by us for your account, upon the terms of, and subject to the conditions to, the offer or (2) notify the Purchaser of your objection to the offer with respect to any or all the Stratasys Shares held by us for your account.

If you determine to tender your Stratasys Shares in the offer, we also request instructions as to whether you are eligible for an exemption from Israeli withholding tax by completing the enclosed Declaration Form ("Declaration of Status for Israeli Income Tax Purposes") and submitting the accompanying documents (to the extent applicable to you). In this respect, as more fully described in the Offer to Purchase, pursuant to Israeli tax law, the Purchaser will withhold applicable amounts from the cash payment (if any) made to you with respect to Stratasys Shares tendered by you and accepted for payment by the Purchaser pursuant to the offer, unless you are either (1) eligible for a full exemption from such tax and complete and submit to us the Declaration Form and accompanying documents (to the extent applicable to you) together with your tender instructions, or (2) otherwise eligible for an exemption or a more favorable Israeli withholding tax rate and provide a valid certificate issued by the Israel Tax Authority (the "Valid Certificate"). We are (or our nominee is) the holder of record of Stratasys Shares held by us for your account and therefore, you should submit the Declaration Form (and accompanying documents, to the extent applicable) or the Valid Certificate only to us, and by doing so, you also acknowledge that we may forward such form and documents (as well as related information) to the Purchaser, to the Depositary, to the Information Agent and any person authorized by the Purchaser. You are urged to consult your tax advisors regarding the application of Israeli income and withholding taxes (including eligibility for any withholding tax

reduction or exemption, and the refund procedure). See Section 11 of the Offer to Purchase, which also sets forth important information with respect to U.S. backup withholding taxes.

Your attention is directed to the following:

1. The increased Offer Price is \$25.00 per Stratasys Share, to the seller in cash, less any applicable withholding taxes and without interest. **The Offer Price is MORE than recent trading prices for the Stratasys Shares on the Nasdaq Global Select Market.**

2. The Purchaser beneficially owns 9,695,115 Stratasys Shares, representing approximately 14.1% of the issued and outstanding Stratasys Shares. The offer is being made for up to 25,266,458 Stratasys Shares, or approximately 36.9% of the outstanding Stratasys Shares not owned by the Purchaser.

3. The offer is conditioned on the valid tender of at least 21,838,853 Stratasys Shares, which is referred to as the Minimum Condition. The Purchaser does not expect to waive the Minimum Condition. The offer is conditioned on the valid tender of at least 3,427,606 Stratasys Shares, which is referred to as the Threshold Condition. The Purchaser cannot waive the Threshold Condition as a matter of Israeli law. The offer is subject to additional customary conditions specified in the Offer to Purchase, including, among other things, (i) the Rights issued under Stratasys's Rights Plan (as defined in the Offer to Purchase) must have been redeemed by Stratasys's board of directors or Nano must be satisfied in its reasonable discretion that the Rights will not become exercisable as a result of the offer and (ii) the Change of Business Condition (as defined in the Offer to Purchase). The offer is not conditioned on the availability of financing or the approval of the board of directors of Stratasys. See Section 17 of the Offer to the Purchase.

4. Following the Expiration Date (as defined in the Offer to Purchase), in accordance with applicable law, the Purchaser will publicly announce whether or not the conditions to the offer have been satisfied or, subject to applicable law, waived by the Purchaser. As required by Israeli law, if the conditions to the offer are satisfied or, subject to applicable law, waived by the Purchaser, then if with respect to each Stratasys Share held by us for your account: (i) we have not yet responded to the offer; (ii) we have notified the Purchaser of your objection to the offer, or (iii) we have tendered such Stratasys Share on your behalf but have withdrawn such tender prior to the Expiration Date, you will be afforded an additional four (4) calendar-day period following the Expiration Date, during which you may instruct us to tender such Stratasys Share(s) on your behalf. This additional period is referred to as the Additional Offer Period and the expiration of such period is referred to as the Final Expiration Date.

These dates will change if the Purchaser decides to extend the Offer Period. You may withdraw any previously tendered Stratasys Shares at any time prior to the Expiration Date but not during the Additional Offer Period. See "Introduction", "Summary Term Sheet", Section 1, Section 7 and Section 10 of the Offer to Purchase.

If, with respect to all or any portion of your Stratasys Shares, we objected on your behalf to the offer during the Offer Period and the conditions to the offer have been satisfied or, subject to applicable law, waived by the Purchaser, you may instruct us to tender such Stratasys Shares on your behalf during the Additional Offer Period.

5. If more than 25,266,458 Stratasys Shares are validly tendered and not properly withdrawn prior to the Final Expiration Date, the Purchaser will purchase 25,266,458 Stratasys Shares on a *pro rata* basis from all tendering shareholders. In these circumstances, the number of Stratasys Shares that the Purchaser will purchase from each tendering shareholder will be based on the total number of Stratasys Shares validly tendered and not properly withdrawn by all shareholders prior to the Final Expiration Date. See Section 7 and Section 8 of the Offer to Purchase.

6. Promptly following the Final Expiration Date, the Purchaser will announce the results of the offer and the Proration Factor (as defined in the Offer to Purchase), if any. If the Purchaser is unable to promptly determine the final proration results, the Purchaser will announce the preliminary results. Stratasys Shares accepted for payment pursuant to the offer will be paid promptly following the calculation of the final Proration Factor.

7. Tendering shareholders will generally not be obligated to pay brokerage fees, service fees or commissions with respect to the purchase of Stratasys Shares by the Purchaser in the offer. Except as otherwise provided in Instruction 6 to the Letter of Transmittal, share transfer taxes will not be paid by the Purchaser.

8. If you wish to tender your Stratasys Shares, please carefully complete, execute and return to us the Tender Instruction Letter attached to this letter.

9. Shareholders may tender their Stratasys Shares or deliver Notices of Objection until 11:59 p.m., New York time, on July 31, 2023, which is referred to as the Expiration Date, unless the offer is extended or earlier terminated.

If you wish to have us tender any or all of your Stratasys Shares held by us for your account, please (1) so instruct us by completing, executing and returning to us the Tender Instruction Letter attached to this letter together with the accompanying documents (if applicable to you) and (2) if applicable to you, complete, execute and return to us the Declaration Form enclosed with this letter together with the accompanying documents (if applicable to you).

IF YOU DO NOT WISH TO TENDER ANY STRATASYS SHARES YOU MAY SIMPLY DO NOTHING.

An envelope in which to return your instructions to us is enclosed. If you authorize the tender of your Stratasys Shares in the offer, all of your Stratasys Shares will be tendered unless otherwise specified in your instructions. Your tender instructions (and Declaration Form and accompanying documents, or a Valid Certificate, if applicable) should be forwarded to us in ample time to permit us to submit a tender on your behalf and, if you completed the Declaration Form and submitted the accompanying documents, or a Valid Certificate, (if applicable), request an exemption from Israeli withholding tax on your behalf, prior to the Expiration Date or Final Expiration Date, as applicable.

If you authorize the objection of your Stratasys Shares to the offer, we will object to the offer with respect to all of your Stratasys Shares unless otherwise specified in your instructions. Your objection instructions should be forwarded to us in ample time to permit us to submit an objection on your behalf prior to the Expiration Date.

IMPORTANT: IF YOU SUBMIT A TENDER INSTRUCTION LETTER BY WHICH YOU TENDER STRATASYS SHARES AND THEREAFTER, YOU DELIVER TO US AN OBJECTION INSTRUCTION LETTER WITH RESPECT TO THOSE STRATASYS SHARES (PRIOR TO THE EXPIRATION DATE), WE WILL DISREGARD YOUR TENDER INSTRUCTION LETTER. SIMILARLY, IF YOU SUBMIT TO US AN OBJECTION INSTRUCTION LETTER WITH RESPECT TO STRATASYS SHARES AND THEREAFTER, YOU DELIVER TO US A TENDER INSTRUCTION LETTER BY WHICH YOU TENDER THOSE STRATASYS SHARES, WE WILL DISREGARD YOUR OBJECTION INSTRUCTION LETTER. IF YOU SUBMIT A TENDER INSTRUCTION LETTER AND AN OBJECTION INSTRUCTION LETTER CONCURRENTLY WITH RESPECT TO THE SAME STRATASYS SHARES, THE OBJECTION INSTRUCTION LETTER WILL BE DISREGARDED.

Under the Israeli Companies Law, the completion of the offer depends in part on whether the majority of the Stratasys Shares tendered into the offer, and not withdrawn, shall have been tendered by offerees who do not have a "personal interest," within the meaning of the Israeli Companies Law, in the acceptance of the offer. A shareholder who fails to provide this information will not be counted for certain purposes when determining whether the minimum condition of the offer has been satisfied. Explanation of Objection Instruction Letter. Under Israeli law, the shareholders of Stratasys may respond to the offer by accepting the offer and tendering all or any portion of their Stratasys Shares in accordance with the Offer to Purchase or by notifying the Purchaser of their objection to the offer by executing and delivering Notices of Objection (which, in your case, is corresponding to this Objection Instruction Letter). Alternatively, they may simply not respond to the offer and not tender their Stratasys Shares. It is a condition to the offer that at 11:59 p.m., New York time, on the Expiration Date, the aggregate number of Stratasys Shares tendered in the offer is greater than the number of Stratasys Shares represented by Notices of Objection. If this and the other conditions to the offer have been satisfied or waived, shareholders will be afforded an additional four calendar days to tender their Stratasys Shares in the offer, but Notices of Objection will no longer be accepted. See "Introduction" Section of the Offer to Purchase.

THIS OBJECTION INSTRUCTION LETTER SHOULD ONLY BE EXECUTED BY YOU IN THE EVENT THAT YOU OBJECT TO THE OFFER WITH RESPECT TO ALL OR ANY PORTION OF YOUR STRATASYS SHARES (PRIOR TO THE EXPIRATION DATE). THIS NOTICE OF OBJECTION SHOULD ONLY BE EXECUTED BY YOU IN THE EVENT THAT YOU OBJECT TO THE OFFER WITH RESPECT TO ALL OR ANY PORTION OF YOUR STRATASYS SHARES. ACCORDINGLY, DO NOT EXECUTE THIS NOTICE OF OBJECTION IF (1) YOU WOULD LIKE TO ACCEPT THE OFFER WITH RESPECT TO THOSE STRATASYS SHARES (IN WHICH CASE YOU SHOULD COMPLETE AND EXECUTE THE LETTER OF TRANSMITTAL) OR (2) YOU DO NOT WISH TO PREVENT THE COMPLETION OF THE OFFER.

INSTRUCTIONS TO THE NOTICE OF OBJECTION

Forming Part of the Terms and Conditions of the offer

1. *Explanation of Notice of Objection.* Under Israeli law, you may respond to the offer by accepting the offer and tendering all or any portion of your Stratasys Shares in accordance with the Offer to Purchase and the instructions contained in the Letter of Transmittal or by notifying us of your objection to the offer with respect to all or any portion of your Stratasys Shares by executing and delivering this Notice of Objection. Alternatively, you may simply do nothing and not tender your Stratasys Shares or object to the offer. It is a condition to the offer that at the Expiration Date (as defined in the Offer to Purchase), the aggregate number of Stratasys Shares validly tendered in the offer is greater than the number of Stratasys Shares represented by Notices of Objection. In making this calculation, we exclude Stratasys Shares owned by us or our affiliates. We will make this calculation and announce the results promptly after the Expiration Date (as defined in the Offer to Purchase). If this and the other conditions to the offer have been satisfied or, subject to applicable law, waived by us, shareholders will be afforded an additional four calendar days to tender their Stratasys Shares in the offer, but Notices of Objection will no longer be accepted.

If, with respect to all or any portion of your Stratasys Shares, you object to the offer during the Offer Period and the conditions to the offer have been satisfied or, subject to applicable law, waived by us, you may tender such Stratasys Shares during the Additional Offer Period (as defined in the Offer to Purchase).

Do not send any stock certificates with this Notice of Objection.

2. *Delivery of Notice of Objection.* If you wish to object to the offer and you hold your Stratasys Shares directly, complete and sign this Notice of Objection and mail or deliver it to the Depository at one of its addresses set forth on the front of this document prior to 11:59 p.m., New York time, on the Expiration Date.

If you wish to object to the offer and you hold your Stratasys Shares through a broker, dealer, commercial bank, trust company or other nominee, you must request such broker, dealer, commercial bank, trust company or other nominee to submit for you the Notice of Objection to the Depository prior to 11:59 p.m., New York time, on the Expiration Date. Do not complete and return this Notice of Objection directly if you hold your Stratasys Shares through a broker, dealer, commercial bank, trust company or other nominee.

The method of delivery of this Notice of Objection, share certificates and all other required documents, including delivery through the Depository Trust Company, is at the option and risk of the objecting shareholder, and the delivery will be deemed made only when actually received by the Depository. If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended. In all cases, sufficient time should be allowed to ensure timely delivery.

No alternative, conditional or contingent Notices of Objection will be accepted. You may be required to provide proof of your ownership of Stratasys Shares at Nano's reasonable discretion.

3. *Signatures on Notice of Objection.* If this Notice of Objection is signed by the holder(s) of Stratasys Shares, the signature(s) must correspond with the name(s) as written on the face of the certificate(s) evidencing the Stratasys Shares without alteration, enlargement or any other change whatsoever.

If any Stratasys Shares are registered in the name of two or more persons, all of those named persons must sign this Notice of Objection.

If any Stratasys Shares are registered in different names, it will be necessary to complete, sign and submit as many separate Notices of Objection as there are different registrations of those objecting Stratasys Shares.

If this Notice of Objection is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation or other person acting in a fiduciary or representative capacity, that person should so indicate when signing, and proper evidence satisfactory to us of that person's authority so to act must be submitted.

4. *Withdrawal of Notice of Objection.* You may withdraw a previously submitted Notice of Objection at any time prior to 11:59 p.m., New York time, on the Expiration Date. For a withdrawal to be effective, a written notice of withdrawal must be timely received by the Depository at one of its addresses set forth on the front of this document. Any notice of withdrawal must specify the name of the person(s) who submitted the Notice of Objection to be withdrawn and the number of Stratasys Shares to which the Notice of Objection to be withdrawn relates. Following the withdrawal of a Notice of Objection, a new Notice of Objection may be submitted at any time prior to 11:59 p.m., New York time, on the Expiration Date by following the procedures described above. If Notices of Objection have been delivered pursuant to the procedures for book-entry transfer as set forth above, any notice of withdrawal must also specify the name and number of the account at DTC to be adjusted to reflect the withdrawal of such Stratasys Shares and otherwise comply with DTC's procedures.

5. *Determination of Validity.* All questions as to the form and validity (including time of receipt) of Notices of Objection will be determined by us, in our sole discretion, subject to applicable law, which determination will be final and binding on all parties. None of us or our affiliates or assigns, the Depository, the Information Agent, our counsel or any other person will be under any duty to give notification of any defects or irregularities in any notice or incur any liability for failure to give any such notification.

IMPORTANT: IF YOU SUBMIT A NOTICE OF OBJECTION WITH RESPECT TO STRATASYS SHARES AND THEREAFTER YOU DELIVER TO US A LETTER OF TRANSMITTAL BY WHICH YOU TENDER THOSE STRATASYS SHARES, WE WILL DISREGARD YOUR NOTICE OF OBJECTION. SIMILARLY, IF YOU SUBMIT TO US A LETTER OF TRANSMITTAL BY WHICH YOU TENDER

STRATASYS SHARES, AND THEREAFTER (BEFORE THE EXPIRATION DATE) YOU DELIVER TO US A NOTICE OF OBJECTION WITH RESPECT TO THOSE STRATASYS SHARES, WE WILL DISREGARD YOUR LETTER OF TRANSMITTAL. IF YOU SUBMIT A LETTER OF TRANSMITTAL AND A NOTICE OF OBJECTION CONCURRENTLY WITH RESPECT TO THE SAME STRATASYS SHARES, THE NOTICE OF OBJECTION WILL BE DISREGARDED.

6. *Questions and Requests for Assistance or Additional Copies.* Questions and requests for assistance may be directed to the Information Agent at the address or telephone numbers set forth below. Additional copies of the Offer to Purchase, Letter of Transmittal, this Notice of Objection and other offer documents may be obtained from the Information Agent.

Nano's Proposed Nominees to Replace Majority of SSYS Board

Overview

Nano Dimension has **nominated 7 highly qualified directors with extensive track records of value creation** for election to the Stratasys Board at Stratasys' Annual General Meeting, which has been scheduled for August 8th, 2023, in order to replace the majority of the Stratasys Board, which Nano Dimension believes has neglected its fiduciary duties to the detriment of Stratasys shareholders' interests.

Stratasys directors are so deeply entrenched which led them to continue to refuse to negotiate – or even engage – with bona fide suitors. They quickly and repeatedly rejected Nano, **a well-funded and reputable peer on its multiple all-cash offers at compelling premia, including:**

- **\$18.00 per share**, reflecting a **26% premium** to the unaffected closing stock price as of March 3rd, 2023, submitted to Stratasys on March 22nd, 2023;
- **\$19.55 per share**, reflecting a **37% premium** to the closing trading price as of March 3rd, 2023, submitted to Stratasys on March 29th, 2023; and
- **\$20.05 per share**, reflecting a **41% premium** to the closing trading price as of March 3rd, 2023, submitted to Stratasys on April 3rd, 2023.

Stratasys directors **have a history of empty promises to Stratasys shareholders.**

- This includes making statements every two to three years that Stratasys will become a "billion-dollar company," only to deliver further cash-burn and value destruction.
- This is further evidenced by the losses on the sale of MakerBot in September 2022, which cost its shareholders over \$400 million.

Stratasys directors **agreed to a value-destroying Desktop Metal transaction designed to preserve their entrenchment.**

- Stratasys has entered into an agreement to merge with a cash-burning remnant of a SPAC, Desktop Metal, in a transaction that would destroy value and be highly dilutive to Stratasys shareholders, leaving shareholders with less than two-thirds of a company that would have an uncertain path for long-term value creation.
- [Shareholders have already filed lawsuits against both companies](#) about their corporate governance practices in relation to the transaction.

Nano Dimension's Proposed Highly Qualified Director Nominees

In order to reach full potential, Stratasys will require better management, operators and, first and foremost, better Board oversight to optimize the business and unlock value. **Nano Dimension has nominated seven highly qualified directors to guide that effort**, all of whom previously served as CEOs or in "C-suite" positions where they **created demonstrable increases in long-term shareholder value**. Almost all of Nano Dimension's candidates have multiple decades of global business experience in technology, finance, M&A and operations in manufacturing and related sectors.

- **Ze'ev Holtzman**, who brings deep expertise in private equity, venture capital and investment banking. Mr. Holtzman founded a pioneering investment banking firm (Giza), a leading VC firm focused on early-stage innovation technology, as well as the premier database on high-tech, venture capital, startup, and private equity ecosystems.

² **93% Premium** to Unaffected 60-Day VWAP to the unaffected price as of March 3rd, 2023 (before the recent acquisition proposals for Stratasys)

³ 30-, 60-, 90- and 180-day Volume Weighted Average Price ("VWAP")

Waltham, Mass., July 18, 2023 (GLOBE NEWSWIRE) -- Nano Dimension Ltd.(Nasdaq: NNDM, “Nano Dimension”, “Nano”, “NANO” or the “Company”), a leading supplier of Additively Manufactured Electronics (“AME”) and multi-dimensional polymer, metal & ceramic Additive Manufacturing (“AM”) 3D printers, today announced the following actions that highlight a clear path to maximizing value for shareholders of Stratasys Ltd. (Nasdaq: SSYS) (“Stratasys”):

Nano Dimension has **increased its special tender offer price (the “Offer”) to \$25.00 per share from \$24.00, in cash**, less any required withholding taxes and without interest, to purchase between 31.9% and 36.9% of the outstanding ordinary shares of Stratasys.

1. The **expiration date of the offer period has been extended to 5:00 p.m.**, New York Time, on **July 31st, 2023** (unless further extended or earlier terminated).
 - o Tendering shares to Nano will deliver **233% more cash** to Stratasys shareholders in the near-term than any currently available alternative and preserves the ability to generate future value creation through strategic M&A opportunities.
 - o The increased price represents **a significant premium to all relevant Stratasys historical trading levels**, including a 93% premium to the unaffected 60-day average share price⁴. Nano’s special tender offer is the **most compelling offer for Stratasys shareholders** and remains the **only alternative available that provides certain, near-term cash value** at a significant premium and the quickest path for Stratasys shareholders to realize value.
 - o The successful completion of the special tender offer would increase Nano Dimension’s beneficial ownership of Stratasys to between 46% and 51% of the outstanding ordinary shares, inclusive of the approximately 14.1% of Stratasys’ outstanding ordinary shares that Nano Dimension currently owns.
 - o **Nano offer provides guaranteed cash and more certainty than any other option available to Stratasys shareholders.**
 - o Nano also announced yesterday that the required waiting period under the **Hart-Scott-Rodino Antitrust Improvements Act of 1976 (“HSR”)** in connection with its proposed special tender offer of Stratasys had expired and no further regulatory review by U.S. antitrust authorities is required in connection with the Offer.

⁴ *Unaffected 60-Day VWAP to the unaffected price as of March 3rd, 2023 (before the recent acquisition proposals for Stratasys).*

2. Nano believes the current terms of **3D Systems, Inc.** (NYSE: DDD) (“3D Systems”) **offer is misleading**, not in the best interests of Stratasys’ shareholders, and present **significant Share PRICE uncertainty** and **transaction closing risk**.
- o Nano believes that the **latest 3D Systems offer’s value is inflated by an unsustainable 3D Systems share price**.
- o On a 30-, 60-, 90- and 180-day VWAP basis, **3D Systems offer is worth barely \$22 per share, substantially below Nano’s \$25.00 all-cash offer**. Additionally, since 3D Systems’ latest offer on **July 13th, 2023, its share price has declined 6%⁵**, further highlighting the significant value uncertainty of the majority stock consideration of 3D Systems’ offer, as outlined below:

	3D Systems Historical Price	Stratasys Shareholders Value Received per Share
July 14, 2023	\$10.07	\$23.05
30-Day	\$9.72	\$22.51
60-Day	\$9.26	\$21.81
90-Day	\$9.50	\$22.17
180-Day	\$9.49	\$22.15

Notes: 3D Systems Historical Price represents 30-, 60-, 90- and 180-day VWAPs; Calculation assumes 3D Systems offer on July 13, 2023, for \$7.50 cash and 1.5444 3D Systems shares for one Stratasys share

- o Actually, 3D Systems’ Proposal is **worth Only \$7.50 per share in cash**. The rest is an uncertain value as **\$14.50 in 3D Systems shares is not necessarily a realistic value**:
 - Since the price of 3D Systems’ shares may **sink** before, during and long after the 3D/Stratasys transaction, as a result of the huge expected dilution (doubling the amount of 3D Systems shares in order to acquire Stratasys), **as described below**:
 - **3D Systems’ offer will nearly fully deplete its cash position** and the combined company will need to raise capital promptly (as indicated by 3D Systems’ recent shelf registration filing). The capital will likely be raised at a share price discount, which will **create additional pressure on 3D Systems’ stock price and result in further dilution and value destruction** to 3D Systems and Stratasys shareholders.
 - 3D Systems’ offer has execution risk as it will require shareholder votes from both companies and regulatory review.
3. **As Stratasys’ largest shareholder, Nano Dimension OPPOSES Stratasys’ proposed combination with Desktop Metal, Inc.** (NYSE: DM) (“Desktop Metal”), which, as structured, is highly dilutive and greatly overvalues Desktop Metal’s cash-burning business.

Following the successful completion of the special tender offer, as the largest shareholder of Stratasys, Nano Dimension **intends to support a review of strategic alternatives for Stratasys to further enhance shareholder value, including through industry consolidation**, possibly through a **negotiated combination with 3D Systems OR** increasing Nano’s ownership of Stratasys to 100%.

⁵ Share price performance based on July 12, 2023, closing price of \$10.73 and July 14, 2023 closing price of \$10.07.

o Following the successful consummation of Nano’s Special Tender Offer, **Nano intends to explore various strategic alternatives**, including but not limited to:

- (1) pursuing a negotiated combination of Stratasys with 3D Systems at appropriate terms, and/or
- (2) purchasing the remaining portion of Stratasys to reach 100% ownership as soon as practical and permissible by U.S. and Israeli law.

o Completing a transaction for all of Stratasys is a step in **NANO’s broader industry consolidation strategy**, focused on profitability and cash generation to drive value for all shareholders.

Waltham, Mass., July 18, 2023 (GLOBE NEWSWIRE) -- Nano Dimension Ltd. (Nasdaq: NNDM, "Nano Dimension", "Nano" or the "Company"), a leading supplier of Additively Manufactured Electronics ("AME") and multi-dimensional polymer, metal & ceramic Additive Manufacturing ("AM") 3D printers, which owns approximately 14.1% of Stratasys' (Nasdaq: SSYS) ("Stratasys") outstanding ordinary shares, encourages Stratasys shareholders to replace their entrenched Board with Nano Dimension's director nominees through their upcoming vote at Stratasys' August 8th, 2023 Annual General Meeting ("AGM").

The Stratasys Board of Directors (the "Board") have checkered personal backgrounds as well as a warped command of corporate governance. The Stratasys Board has lined their own pockets while overseeing poor performance, indulging themselves with exorbitant salaries and annual equity grants, cumulatively equaling **approximately \$1,820,000¹ in FY 2022 for 8 directors**, not including meeting fees, (for approximately 10-20 meetings per annum), and travel & entertainment expense.

Average tenure of 15 years on the Board is a clear base for questionable, sustained judgement and abundance of personal biases Nano is calling for a replacement of the Stratasys Board's members in order to re-align Stratasys' governance with the interest of shareholders. Furthermore, the interconnections between board members raise independence concerns, resulting from directors having other mutual commercial interests which are not related to their fiduciary duties at Stratasys. Presently, two Stratasys directors, **Dov Ofer** and **David Reis**, sit on the board of Scodix Ltd. In the past, **Adina Shorr** served as CEO of Scodix Ltd. during Dov Ofer's directorship. These overlapping interests raise questions about objectivity of the directors, further eroding trust in their decision-making.

¹ Stratasys Ltd. (NASDAQ:SSYS) Form 20-F Filing for Fiscal Year 2022, filed March 3^d, 2023; Director Compensation and Director/Officer Equity Compensation

STRATASYS' CURRENT Value Destructing BOARD: Below are a few examples of the questionable track records that warrant the replacement of board members of Stratasy's:

***Yair Seroussi** – was formerly the Chairman of a large Israeli bank but had to resign allegedly because of allegations that he had failed to report a sexual assault by the CEO of a female employee². Seroussi hid the information from the bank's board of directors and from the Bank of Israel, colluding with the CEO.

Once again scheming with the same CEO, Seroussi was also found guilty of aiding and abetting tax-evasion for U.S. citizens – in exchange for millions of dollars of kickbacks. Under his leadership, the bank had to cough up a fine of almost **\$900 million**³ to U.S. authorities, in addition to being forced to pay significant personal fines for his crimes. An investigation committee disclosed that, as Chairman, Seroussi and his friend the CEO behaved unreasonably and personally received millions of dollars as bonuses on account of tax evasion schemes they led through the bank's branch in Switzerland.

***Dov Ofer (Chairman)** – was the former CEO of Lumenis Ltd. Dov Ofer's tenure was marked by a period of stagnation. After his appointment, the company experienced a decrease in revenue⁴.

After continued underperformance under Ofer's leadership, the Lumenis board opted to hold him accountable, removing Ofer as CEO and bringing in a new chief executive officer.

This change proved that the prior issue was the failing management by Ofer, not the company. The new CEO was able to revitalize the company's growth trajectory. Lumenis Ltd. experienced a remarkable turnaround recovery following Dov Ofer's tenure as CEO, with revenue increasing by an impressive 51% from \$265 million in 2013 to \$400 million in 2018⁵.

The stark contrast between the performance of Lumenis Ltd. during Ofer's tenure and the subsequent growth achieved under the new CEO highlights the impact of leadership on the company's success. The decision to replace Ofer ultimately proved to be a strategic move that revitalized the company and set it on a path of substantial growth.

***David Reis** - was the former CEO of Stratasy's until his resignation in 2016. Under Reis' leadership, investors in Stratasy's have experienced a challenging value-destructing ride over several years. Sales and Stratasy's share prices have both plunged amid a \$1.4 billion loss last year.

The company's acquisition of desktop printer manufacturer, MakerBot, in 2013 for over \$490M⁶ (approx. \$16M in revenue per annum at prior year⁷) was a failure. MakerBot has suffered greatly, replacing leadership three times, producing a problematic 3D printer component, and leaving Stratasy's with such significant losses that Reis's Stratasy's became part of a class action lawsuit. The consumer brand laid off almost 40% of its workforce and shut down its retail shops.

Meanwhile, the value of Stratasy's shares collapsed over the course of the two years post-acquisition, from record highs of almost \$137 per share in 2013 to around \$23 per share by the end of 2015⁸. The lawsuit alleges that the drop in Stratasy's shares in 2015 was caused by fraudulent practices in the MakerBot-related business⁹.

MakerBot was eventually spun out 9 years later after major losses and cash burn. Reis has left a trail of massive write-downs yet continued to be a member of the board and Executive Committee, which is comprised of just three people, together with Dov Ofer.

Interestingly, while the courts decided that Stratasy's was not to blame for securities fraud, it stated that under Reis, Stratasy's used "...hyperbole and exaggeration... mere puffery...vague and such obvious hyperbole... Stratasy's statements...are vague and unreliable"¹⁰

This history of misleading disclosures raises serious questions about Stratasy's present statements:

The same executives accountable for misleading their shareholders are still directors at the helm:**Reis** has been a Director since 2013, and as recently as 2018-2019 also served as a member of the "executive committee" together with **Mr. Ofer**.

Another problem facing Stratasys under Reis that garnered much attention was a U.S. Securities and Exchange Commission investigation. The SEC's enforcement decision approached the company in early 2016¹¹ on the matter, which was briefly mentioned in Stratasys' latest 20-F filing with the SEC. According to industry pundits, Reis' resignation was certainly precipitated by the 30% decrease in the share price and the mounting pressure from disgruntled shareholders¹².

***Ziva Patir** – was the former CEO of the Standards Institution of Israel. During her tenure the Israeli Ministry of Finance demanded that she return tens of thousands of shekels, which she allegedly received in an improper manner from the Institute¹³. Additionally, an inspection conducted by the Capital Markets Division of the Ministry of Finance revealed a misallocation of funds under the management of Ziva Patir, resulting in employees having to return a substantial sum of 3 million shekels¹⁴. Under Patir's management, the Standards Institution of Israel was characterized by a slow and bureaucratic nature, leading to inefficiencies and financial losses. Additionally, there were conflicts with the employees¹⁵.

***Scott Crump** – A few days after reporting \$1.37 billion loss in 2015, it was discovered that the company paid \$1.44 million¹⁶ to the present director Mr. **Scott Crump**, founder of Stratasys, and to three other executives an additional \$5.4 million in compensation¹⁷.

***Adina Shorr**- Yet another ex-CEO of Stratasys (Objet), who stayed entrenched and highly paid on the board for the last 5 years. She also has a checkered record inasmuch as **leading, as a CEO, value destructing activities**: She was the former CEO of Lucid-Logix, which had raised \$40 million promising attractive returns for its investors. Ms. Shorr raised additional capital, only to close the company and terminate all employees with zero return to its shareholders (Giza and others)¹⁸.

***Yoav Zeif** is the current Stratasys CEO – an unproven CEO having served before only as a consultant and in business development roles. Moreover, under his leadership, Stratasys is being accused¹⁹ by the former founders and shareholders of Origin, a company Stratasys purchased under his leadership for \$97M²⁰ (estimate \$5 million - \$15 million in the previous year's annual revenue when acquired in December 2020) for not fulfilling its obligations and personal commitments to pay them their promised earnout as per agreement. All founders and key employees of Origin subsequently ended up leaving Stratasys.

Zeif has also **led the value-destructing move** of spinning-off David Reis's 2013 failure of MakerBot. Zeif paid approximately \$47 million in cash just "to arrange" for Stratasys to own less than 50%²¹ of MakerBot, practically selling over 50% of MakerBot by adding money rather than receiving money.

These 8 board members and 1 inexperienced under-performing CEO have made poor, **value-destructive and money-wasting acquisitions** and/or **failed to integrate the acquisitions of Origin, Ultimaker, SolidConcepts, and MakerBot**. These actions demonstrate a lack of strategic foresight and a failure to prioritize long-term value creation for the company and its shareholders.

IN CONTRAST, Nano's candidates to replace the Stratasys board are highly qualified with extensive experience overseeing value creation:

Nano Dimension is recommending Stratasys shareholders replace its entrenched non-performing directors at Stratasys' Annual General Meeting to be held on August 8th, 2023, with professional executives who will devote a serious amount of their business time and attention to improve value for Stratasys shareholders. The seven members proposed by Nano include over 10 CEO roles, as well as four ex-founders of successful high-tech and multi-hundred million dollars companies, Chief Technology Officers, ex-CFOs/COOs and ex-members of KPMG and PWC. All their compensation for service as members of the Stratasys' Board will be based on the company's performance, not just on being present in meetings.

THE NEW BOARD will focus on enabling the present bids to **increase shareholder value PREVENTING the present Board from blocking two alternatives for Stratasys' Shareholders:**
