

The following letter was sent to employees of Stratasys Ltd. on September 12, 2023.

Internal communication – not for distribution

Team Stratasys,

I am reaching out to share an update regarding our company.

In a press release today, we announced that Stratasys has terminated discussions regarding a potential transaction with 3D Systems.

After consultation with Stratasys' outside financial and legal advisors and following an extensive due diligence review of 3D Systems, the Stratasys Board unanimously determined that the revised proposal from 3D Systems continues to significantly undervalue Stratasys and does not constitute a "Superior Proposal" as defined in Stratasys' merger agreement with Desktop Metal.

The Stratasys Board of Directors reaffirms its unanimous support of the pending combination with Desktop Metal.

We are confident that Desktop Metal is the right partner for Stratasys as we continue to execute on our North Star strategy. Together, we will create an industrial AM leader across verticals, with a full technology portfolio to deliver significant value to our customers, partners, shareholders and you – our employees. Under the terms of the proposed Desktop Metal transaction, the combined company will continue to be led by the Stratasys management team following the merger.

Our upcoming Extraordinary General Meeting of Shareholders (the "EGM") is fast approaching on September 28, 2023. If you are a shareholder, we urge you to participate and vote today "FOR" each of the proposals under consideration, including the Merger-related proposal to approve our combination with Desktop Metal and realize the significant benefits for all stakeholders.

Stratasys Employee Shareholders: Any and all Stratasys shareholders as of the close of business on August 24, 2023 are eligible to vote on the proposals being considered at the EGM. **The deadline to vote is September 27, 2023 at 11:59 p.m. U.S. Eastern time.**

It is anticipated that the merger will close in the fourth quarter of 2023, subject to customary closing conditions, including the approval of our shareholders and Desktop Metal's stockholders. **Until then, Stratasys and Desktop Metal remain separate companies, and we operate business as usual.**

Please keep in mind that today's news has no impact on our business activity, and I urge and encourage you to remain focused on your day-to-day roles and responsibilities.

As always, if you receive any calls from outside parties, including members of the media, investors and analysts, please forward them to Yonah Lloyd, CCO and Vice President, Investor Relations.

Thank you for your ongoing commitment to our mission, demonstrating our values all along. Let's keep up the great work.

Yours,
Yoav
